NOTICE

UTAH GEOTHERMAL LEASE SALE NOMINATIONS

The Utah State Office is now accepting nominations of lands for competitive geothermal leasing for a future competitive geothermal lease sale. Land nominations must be submitted on Department of the Interior (DOI), Bureau of Land Management (BLM) Form 3203-1, and comply with 43 CFR 3203 (72 FR 24406, May 2, 2007). Please refer to these regulations for nomination requirements regarding maximum acreage, acceptable land descriptions, and nominating parcels as a block. These regulations may be found at <http://ecfr.gpoaccess.gov> under Title 43, Volume 2, Chapter II, Part 3200. A courtesy copy of Form 3203-1 has been enclosed for your convenience.

Nominations are not automatically placed on a sale when received, and BLM can not guarantee that the nominated lands will always be included on a particular sale notice. The parcels must be reviewed for availability, environmental and cultural concerns prior to being placed on a sale. Sale parcels will normally be configured as requested; however, BLM reserves the right to adjust the parcel size and configuration as needed.

Each nomination must be submitted with a nonrefundable filing fee of \$100.00 per nomination plus \$0.10 per acre of lands nominated. If a land parcel consists of fractional acreage, please round the land acres up to the nearest whole acre.

Sale notices, results lists, and Form 3203-1 will be posted on our website at:
