I, the undersigned user, do hereby request information from the Utah archaeological maps and project and site files. I understand that the information on these maps and in these files is protected and not available to the general public. In consideration of access to this information I agree to: (1) use this information only in compliance with the applicable Federal and State laws; (2) supply copies of any publications resulting from the use of these files to the Utah Division of State History; (3) use the files in a responsible manner; (4) not allow copies of these protected records to be made by or for any third party; and (5) report any and all information access violations (actual or potential) to the Utah Division of State History. The only permissible intended uses for these files are for cultural resources management, research and education by professional archaeologists holding appropriate federal or state permits. Access to these protected files may be terminated upon violation of any of the above conditions. It is a Class B Misdemeanor to improperly disclose or provide copies of private, controlled or protected records, according to §63-2-801.

I, the undersigned user, do hereby request data from the Utah automated data file of historic properties, as defined in the Cooperative Agreement Concerning Automation and Management of Historic Properties Information. I understand that the records in this database are protected and not available to the general public. In consideration of access to this information I agree to: (1) use this information only in compliance with the applicable Federal and State laws; (2) supply copies of any publications resulting from the use of this database to the Utah Division of State History; (3) use the data files in a responsible manner; (4) not divulge or discuss any data access codes, including user name and password, to any third party; (5) not allow copies of these protected records to be made by or for any third party; and (6) report any and all data access violations (actual or potential) to the Utah Division of State History. The only permissible intended uses for these files are for cultural resources management, research and education by professional archaeologists holding appropriate federal or state permits. Access to data files may be terminated upon violation of any of the above conditions. It is a Class B Misdemeanor to improperly disclose or provide copies of private, controlled or protected records, according to 63-2-801.
