Pinedale BLM , Pinedale Field Office Conference Room

The group decided to not conduct business at this previously scheduled meeting because we were not able to proceed until PAWG held another meeting. Meeting was held only to greet public.

Meeting was to start at 5 PM. Those showing were Clint Gilchrist (resident , CLG) , Fred and Fern Linton (OCTA) and Dave Vlcek (BLM,PFO). Group present waited until 6:15 PM in case anybody showed up from the general public for comment . With no one showing group went home.

Next meeting is scheduled for April 28, 2005 and is open to public.
