

Pinedale Anticline Working Group  
Agenda  
**10 AM** Tuesday, August 2, 2011  
**9 AM** Wednesday, August 3, 2011  
BLM Pinedale Field Office

**August 2 – Field Tour**

9:50 Meet at Pinedale Field Office  
10:00 Board Buses and depart for field

**Tour focus:** Visit a variety of past habitat improvement projects, and make stops in identified mule deer transitional range and winter stopover areas. Biologists will make presentations regarding seasonal habitat requirements for mule deer and be available to discuss other issues.

**Key Issue:** The Pinedale Anticline Working Group Designated Federal Official would like to receive from the PAWG, advice and recommendations regarding the developing mule deer mitigation program. In particular, The PAWG is asked to provide advice and recommendations regarding site selection, methods of treatment, rate of treatment, and size of treatments.

**Lunch will be taken along the way, location to be determined. Water will be provided, as well as coolers to hold lunches you bring for yourselves.**

5:30 Return to Pinedale Field Office
