

Chokecherry and Sierra Madre Wind Energy Project

Draft Environmental Impact Statement (Volume II)

High Desert District - Rawlins Field Office, Wyoming

July 2011

Mission Statement

The BLM's multiple-use mission is to sustain the health and productivity of the public lands for the use and enjoyment of present and future generations. The Bureau accomplishes this by managing such activities as outdoor recreation, livestock grazing, mineral development, and energy production, and by conserving natural, historical, cultural, and other resources on public lands.
