CBNG/Coal Mining Conflicts

Powder River Basin, Wyoming

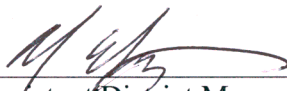

**Maintenance of Conflict Administration Zone (CAZ)**

The Wyoming Powder River Basin Conflict Administration Zone was designated July 1, 2004.

Mine plans have changed/progressed since the last update completed in December 2010. These changes are reflected in this updated January 2012 CAZ.

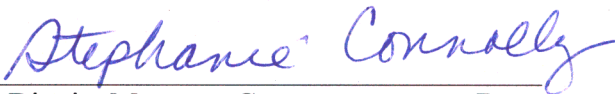

Attached is a listing of lands; containing 1,180 acres, more or less; that are recommended to be added to previous existing 116,720 acres, more or less of CAZ as a result from the actions above.

The total CAZ area will now contain 117,900 acres, more or less.
