/a/ The acreage for the Santa Rosa Mountains National Scenic area is also contained in the Santa Rosa/San Jacinto Mountains National Monument.

/b/ A review and correction of National Natural Landmark records resulted in an increase in numbers and a decrease in the acreage figure.

/c/ The mileage includes those byways administratively designated under the BLM's Back Country Byway program. In addition, the BLM is involved in the cooperative management of an additional 17 byways, totaling 2,492 miles on public lands, which have been recognized by state or national designations. Collectively, these two categories make up the BLM's byway program.

/d/ The acreage for Globally Important Bird areas is contained within a National Conservation Area and Yaquina Head National Outstanding Natural Area.
