/a/ This is a count of authorizations, regardless of livestock kind. Some permittees and lessees run more than one kind of livestock and thus may be represented in more than one livestock column. However, they are counted only once in this column.

/b/ These animal unit months (AUMs) were calculated for grazing authorized on bills that were due during Fiscal Year 2007 (October 2006–September 2007).

/c/ Totals do not include authorized nonuse.
