Note: The Southern Nevada Public Land Management Act (SNPLMA) (Public Law 105-263) became law in October 1998. The Act provides for the orderly disposal of certain Federal lands in Clark County, Nevada, and for the acquisition of environmentally sensitive lands in the State of Nevada. Land disposal has taken place within a specific boundary within the Las Vegas Valley. Land has been acquired in several Nevada counties using funds in the SNPLMA Special Account that were generated by land sales in Las Vegas.
