FOOTNOTES

- /a/ Administrative State boundaries differ from Geographic State boundaries. For example: California BLM administers some public lands within the State of Nevada, and Montana BLM administers all public lands in North Dakota and South Dakota.
- /b/ P AUMS (animal unit months) of permitted use held by lessees on public lands. These totals differ from the AUM totals shown in Table 3-8, which reflect AUMs of authorized use. Title change from “A AUMs” in previous PLS editions to “P AUMs” in this edition conforms with current regulations.
- /c/ S AUMS (animal unit months) of suspended use held by lessees on public lands. These AUMs are not shown in Table 3-8 because they are not authorized for use.
