4 PUBLIC COMMENT:

5 MR. JOHNSON: Well, I'm happy with the
6 situation the way it is; but if you decide to sell one of
7 these pieces or some of these pieces, I'd be interested in
8 buying them.

9 And that's all I got to say. It's just rangeland
10 and so small, and it's not a big bother; and I just want to
11 get along.
