Total Adopted, Fiscal Years 1971 through 2011/a/:			230,192			
Total Adopted, Fiscal Year 2012:			2,583			

Note: Mules are reported as burros.

/a/ Historic adoption numbers have not been adjusted downward to account for animals that have been returned or re-adopted by BLM since 2009. Adjustments which have been made from 2009 to 2012 will be reapportioned in the 2013 statistics.

/b/ Prior to 1996, adoptions were reported by geographic state, including the District of Columbia. Since 1996, adoptions were reported by the BLM Administrative State. Beginning in 1999, adoptions conducted in the national centers, Elm Creek, Nebraska, and Palomino Valley, Nevada, are reported under the National Program Office. California administers the wild horse and burro program in Hawaii; Eastern States Office administers the program in the 31 States east of and bordering on the Mississippi River and the District of Columbia; Montana administers the program in North and South Dakota; New Mexico administers the program in Kansas, Oklahoma, and Texas; Oregon administers the program in the State of Washington; and Wyoming administers the program in Nebraska.
