JUNIPER DUNES

WILDERNESS

Closed to Motorized Vehicles

Open

OHV

Area

JUNIPER FOREST

High clearance 4-wheel drive highly recommended beyond improved roads. Park at upper Information/ Parking area on Juniper Road, and travel by foot or OHV the remaining distance to Wilderness boundary or gate, or if continuing up North Spur Road. Otherwise you risk getting stuck on very loose sand roads. For horse access into the Wilderness, call the Spokane BLM office prior to your trip.
