12 noon Oral Competitive Bid Kiger Adoption Process—Hay Barn

**Loading to follow*

Wild Horse Adoption KIGER KRAZE 2011

Registration, Bidding, Successful Adoption and Loading Procedures:

In order to participate in the oral competitive bid process, you **MUST** register to adopt and (upon approval of your application) receive a bid card prior to 11:30 a.m. on Saturday, October 8. Registration will CLOSE at 11:30 a.m. sharp. Please try to register as early as possible and avoid the last-minute rush...which could leave you without a bid card by the start of the oral competitive process.

Bidding will start with the base adoption fee of \$125. If there is only one bidder, the animal will be adopted for \$125. When there are several bidders, the animal will be adopted to the high bidder at the bid price. The advantage of the competitive bidding process is that all animals are available to each adopter and the adopter has full control over which animal they select.

Competitive Bid Process begins Saturday at 12:00 noon sharp.

An auctioneer will solicit bids from adopters who have registered and received a bidder's number (bid card).

During Round One, bidding will start with Pen #1 and continue in order by pen number. ***Animals displayed in the adoption catalog are not listed by pen number; however, a current inventory by pen number is available, allowing adopters to cross reference the tag number of the animal(s) displayed with the same tag number listed on the inventory sheet to find which pen their animal(s) is located.

During Round Two, adopters may bid on horses that were not selected in Round One. Bidding will start with Pen #1 and continue in order by pen number.

The auctioneer will announce the horse number for which he is soliciting bids. At the conclusion of the bidding for each animal, he will announce the successful bidder's number and the price bid. **THE AUCTIONEER'S WORD IS FINAL.**

ALL bidding will be completed before any fees are collected or adoption agreements filled out. Once the ENTIRE bidding process is over, successful adopters may go to the adoption office and complete adoption paperwork, pay fees, etc. BLM will make every effort to first complete paperwork for adopters loading and leaving Saturday.

Out-of-state adopters (excluding Washington) are required to obtain a brand inspection. This will occur in the adoption office, once the adoption agreement has been completed and fees paid. There is no additional fee for the brand inspection. Out-of-state adopters will also need to obtain a health certificate from a veterinarian before leaving with the adopted animal (s). This will also occur on site (in the adoption office), once the adoption agreement has been completed and fees paid. The health certificate fee is \$35 and must be paid separate from the adoption fee and at the time of service.

Fees can be paid in cash, by check, or by credit card. Remember, adoption and health certificate fees (for out-of-state adopters) must be paid separately.

Adoption agreements must be signed and fees paid prior to horse loading at Oregon's Wild Horse Corral Facility.

Adopters must present adoption agreements and load tickets to the corral loading attendant.

Kiger and Riddle horses ONLY will be adopted and loaded on Saturday, October 8. Loading will be done on a first come first serve basis each day. Anyone interested in adopting a non-Kiger horse from the Facility can do so beginning Monday, October 10 – any horses adopted the week of October 10 qualify for free shipping within 400 miles of the Corral Facility in Hines. No Kiger/Riddle horses will be available for walk-up adoption at any time. Kiger/Riddle horses not adopted on October 8 will be made available for competitive adoption online.
