Dear Coordinator:

Please check your plan on page 73, Vol. 1, PS-3.1.3. Please add SDNM as a potential reintroduction site.

Please also include in your plan, language to allow the construction, on SDNM, of a pen for Sonoran Pronghorn familiarization with the area. Additionally, please include language that would encourage an invitation by BLM for Arizona Game and Fish and the U.S. Fish and Wildlife Service to initiate a reintroduction of Sonorn Pronghorn to SDNM as soon as possible.

Thank you.
