In regard to the motorcycle track NW of Ag just north of Elliott Rd - I would like to see it remain available to the community to use for off road riding. That "track" referred to by most of Ag as "McCormicks" has been in use since at least the early 1980's probably longer. - It is already used for that purpose & gives many in Ag a place to ride with others in a contained area. Thank you for your work in this area.
