Emily Garber

Dear Ms. Garber, Garber,

The BLM's plan (perferred draft) to manage the Lower Sonoran Field office and the Sonoran Desert National Monument falls considerably short in providing the necessary protection for the natural and cultural resources of the planning area.

The Sonoran Desert is one of the few remaining American treasures. Consequently, everything must be done to safe guard it.

The BLM's (preferred) plan would not adequately protect the wilderness of this pristine desert. However, BLM must act responsibly.

Please adopt alternative "D." This will provide the crucial protection for the Sonoran Desert and it's precious wilderness.

Sincerely,

[REDACTED]
