Emily Garber

Dear Ms. Garber, Garber,

As someone who has lived in the Sonoran Desert, it is the landscape I most cherish. The BLM's preferred alternative in its draft plan to manage the Lower Sonoran Field office and the Sonoran Desert National Monument is inadequate for protection of the natural and cultural resources of the planning area. I hope that the BLM will instead choose Alternative D to protect this symbol and reality of the American West.

Sincerely,
