OHV Use Restrictions

**Comment Number:** 1

**Cited Content:** Issue 1: Travel Management: How will travel and access be managed?

**Cited Section ID:** Executive Summary

**Comment Title:** OHV Use Restrictions

**Issue:** 10658

**Comment:**

As a life-long desert lover and father of three, I strongly object to primitive off-highway vehicle road closures. In my 48 years, the most respectful users are the ones who seek out primitive designations. The primitive road closure simply makes desert adventurers outlaws and limits my childrens future. Please do not restrict access. Sincerely, Bill Lukehart
