This Mining Claim, the name of which is the Minnesota Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchased by George Mitchell, a citizen of the United States, on the 31st day of May, 1908.

The length of this claim is 1500 feet, and we claim 100 feet, in an Easterly direction, and 1400 feet in a Westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Easterly to the Westerly.

The claim is situated and located in the Harcuvar Mining District, in Yuma County, in the Territory of Arizona, about 2 miles in a westerly direction from Carrigan Peak and the Southerly side line is the northerly side line of the Michigan Mining Claim.

The surface boundries of the claim are marked upon the ground as follows: Beginning at a monument of stone at a point in an easterly direction 100 feet from the discovery shaft (at which this notice is posted), being in the center of the east end line of said claim; thence southerly 300 feet to a monument of stone, being the S. E. corner of said claim; thence westerly 1500 feet to a monument, being at the S. W. corner of said claim; thence northerly 300 feet to a monument at the center of the west end of said claim; thence northerly 300 feet to a monument, being at the N. W. corner of said

-2-

claim; thence easterly 1500 feet to a monument at the N. E. corner of said claim; thence Southerly 300 feet to the place of beginning.

All done under the provisions of chapter Six, of Title XXXII, of the Revised Statutes of the United States, and an Act of the General Assembly of Arizona, entitled "An Act to revise and Codify the Laws of the Territory of Arizona," approved March 16th, 1901.

This is an Amended Location Notice of the Minnesota Mining Claim, located by George Mitchell on the 31st day of May 1908, and recorded in Book Z of Records of Mines, at page 112, in the office of the County Recorder of the aforesaid County of Yuma to which reference is hereby made, and this Amended Location Notice is made and posted to correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 7th day of April, 1909.
