Township 2 North, Range 22 West,
Gila and Salt River Meridian, Arizona

CHAINS

The south boundary of the fractional township was surveyed in 1902 by J. A. Barry and retraced in 1917 by W. B. Kimmel, who surveyed the east boundary, subdivisional lines and Colorado River Meanders. The south and east boundaries and subdivisional lines were retraced and reestablished and the accretion lands surveyed in 1961-62 by Kaiser, Cannon and Murphy.

The following field notes are those of the remonumentation or relocation of certain corners along the left bank of the Colorado River, which were in danger of being destroyed by revetment and haul road construction by the Bureau of Reclamation.

The approval of the Special Instructions on July 9, 1968, gave authority to proceed with the remonumentation or relocation.

A field crew furnished by the Bureau of Reclamation assisted in the remonumentation or relocation of the corners involved. A one-minute transit was used for alignment and a standard steel tape was used to measure the distances.

Angle point No. 1, which is S. 75°5' W., 13.90 chs. from the meander cor. of secs. 17 and 18, is monumented by an iron post, 2½ ins. diam., situated in an area of proposed construction work on the left bank of the Colorado River.

I remove the iron post and its accessories.
from the true pt.

An iron post, 30 ins. long, 2½ ins. diam., set 20 ins. in the ground, for a reference monument, bears S. 88½° W., 72.7 lks. dist., brass cap mkd.

An iron post, 30 ins. long, 2½ ins. diam., set 20 ins. in the ground, for a reference monument, bears N. 1½° W., 72.7 lks. dist., brass cap mkd.

Township 2 North, Range 22 West,
Gila and Salt River Meridian, Arizona

CHAINS

The witness point at 42.60 chs. N. of the CC of secs. 19 and 30 and on the W. bdy. of the Tp. (2.60 chs. N. of the $\frac{1}{4}$ sec. cor. of sec. 19 only), is monumented by an iron post, $2\frac{1}{2}$ ins. diam., situated in an area of proposed construction work on the left bank of the Colorado River.

I remove the iron post.

from the true point

An iron post, 30 ins. long, $2\frac{1}{2}$ ins. diam., set 20 ins. in the ground, for a reference monument, bears N. $5^{\circ}40'$ E., 72.7 lks. dist., brass cap mkd.

An iron post, 30 ins. long, $2\frac{1}{2}$ ins. diam., set 20 ins. in the ground, for a reference monument, bears N. $84^{\circ}20'$ W., 72.7 lks. dist., brass cap mkd.

CERTIFICATE OF SURVEY

(I) ~~(We)~~, Paul G. Bauer, HEREBY
 CERTIFY upon honor that, in pursuance of special instructions bearing date of the 9th day
 of July, 19 68, (I) ~~(We)~~ have remonumented cadastral survey corners
 in Township 2 North, Range 22 West,

of the Gila and Salt River Meridian, in the State of Arizona, which
 are represented in the foregoing field notes as having been executed by (me), ~~(us)~~ and under (my)
~~(our)~~ direction; and that said survey has been made in strict conformity with said special instruc-
 tions, the Manual of Instructions for the Survey of the Public Lands of the United States, and in
 specific manner described in the foregoing field notes.
