FIELD NOTES

OF

HOMESTEAD ENTRY SURVEY NO. 525

SITUATED IN THE Coronado NATIONAL FOREST

ADMINISTRATIVE DISTRICT NO. 3

In Section 21, unsurveyed, Township 20 S, Range 16 E
In Section 22, unsurveyed, Township 20 S, Range 16 E
In Section 27, unsurveyed, Township 20 S, Range 16 E

of the

Gila and Salt River Base & Meridian.

State of Arizona

Applicant for listing Glen Perry
Residence Sonoita, Arizona
Application No. 292, dated April 18, 1914
List No. 3-6196, dated June 2, 1914

Applicant for survey Glen Perry
Residence Sonoita, Arizona
H. E. No. 026241, dated December 5, 1914
Land District Phoenix, Arizona

Survey executed by C. A. Long, Surveyor, Forest Service
Under special instructions dated March 28, 1917
Survey commenced April 9, 1917
Survey completed April 16, 1917
OATH OF ASSISTANTS

We hereby certify that we assisted

C. A. Long
Surveyor, Forest Service

in surveying all those parts or portions of Homestead Entry Survey No. 525, in the State of Arizona which are represented in the following field notes as having been surveyed by him and under his direction; and that said survey has been in all respects, to the best of our knowledge and belief, well and faithfully surveyed, and the corner monuments established, according to the instructions furnished by the United States Surveyor General for Arizona.

Note: It would have been very expensive and inconvenient to appear before an officer to administer oaths to Assistants; hence, they were taken by the Surveyor.

Subscribed and sworn to before me this 16th day of April, 1917.

Surveyor, Forest Service.

OATH OF SURVEYOR

do solemnly swear that, in strict conformity with the special instructions of the United States Surveyor General for Arizona, dated March 26, 1917, and the laws of the United States, I have well, faithfully, and truly, in my own proper person, surveyed a tract of land

List No. 3-3193, dated June 2, 1914, for

PATENT No. 525, under the Act of June 11, 1906, for

the same to be known as Homestead Entry Survey No. 525, situated within the

Coronado National Forest, in

unsurveyed Section 21, Township 20 S., Range 16 E., and

unsurveyed Section 22, Township 20 S., Range 16 E. and

unsurveyed Section 27, Township 20 S., Range 16 E.

of the Gila and Salt River Base & meridian, Arizona, and the related retracements and resurveys and section subdivisions, which are represented in the following field notes as having been surveyed by me; and I further solemnly swear that all the corners of said survey have been established and perpetuated in strict accordance with the stated special instructions, and in the specific manner described in the field notes, and that the following are the original field notes of such survey.

Subscribed and sworn to before me this 17th day of November, 1918.

[Seal]
Chains. Applicant for listing, Glen Perry; Application No. 292,
dated April 18, 1914; List No. 3-3198, dated June 2,
1914; H. E. 026241 made in the Phoenix Land Office on
December 5, 1914 by Glen Perry.

Surveyed under special instructions from the Surveyor
General for Arizona, dated March 28, 1917, and desig-
nated as Homestead Entry Survey No. 525.

Situated in secs. 21, 22 and 27, T. 20 S., R. 16 E.
Gila, and Salt River Base and Meridian. Within the
Coronado National Forest, Arizona.

Surveyed under the Acts of June 11, 1906 and August 11,
1916.

Survey commenced April 9, 1917, and executed with a
Buff and Buff transit No. 10530, equipped with Smith
spheroid attachment.

I test the adjustments of the transit and make necessary
corrections.

All distances are horizontal, and were reduced from
measurements made directly on the slope with a 500
link steel tape. The slope angles were determined
with a clinometer.

April 9, 1917. No I/I observed. More later.

At the 1/4 sec. cor. between secs. 21 and 22, T. 20 S.
R. 16 E. hereinafter described, at 6n. 40m. p.m.
1.m.t. I observe Polaris with telescope direct, read-
ing an angle of 165° 10' from star to left to a ref-
erence mark about one mile distant.

Lat. 31° 40' 48" N., Long. 110° 42' 30" W. from Patagonia
Quadrangle, U. S. G. S.

Greenwich m.t. U.S. Pol. April 9, 1917, On. 20.3m. p.m.
Corr. for Long. 1.2
Astron. l.m.t. U.C. Pol. April 9, 1917, Ch. 19.4m.
Astron. l.m.t. of obsn. April 9, 1917, ch. 40.0m.

Hour angle 6h. 20.6m.

Azimuth of Pol. at time of obsn. 1° 19' 32" W.

Bearing of reference mark S. 18° 30' 23" W.

At the same point at 6h. 42m. p.m., l.m.t., I again observe Polaris with telescope reversed, reading an angle of 165° 10' from star to left, to the same reference mark.

Astron. l.m.t. U.C. Pol. April 9, 1917, Ch. 19.4m.
Astron. l.m.t. of obsn. April 9, 1917, ch. 42.0

Hour angle 6h. 22.6m.

Azimuth of Pol. at time of obsn. 1° 19' 27" W.

Bearing of reference mark S. 16° 30' 32" W.

The two observations give a mean bearing of reference mark of S. 16° 30' 50" W. and from the corresponding meridian all the courses of the survey were deflected.

April 10, 1917.

RETRACMENTS.

Beginning at the 1/4 cor. between secs. 21 and 22, T. 20 N., R. 16 E. which is a red sandstone 4 x 6 x 10 ins. loosely set and marked 1/4 cor. face. In the same place I set a red sandstone 4 x 8 x 28 ins., 14 ins. in the ground, marked 1/4 on W. face and place the original cor. stone alongside. I also witness this cor. as follows.

A black oak 16 ins. dia. blazed and scribed 1/4 S. 22 E T. bears N. 84° 00' E. 133 lbs. dist.

A black oak 6 ins. dia. blazed and scribed 1/4 S. 21 E T. bears N. 49° 10' W.

29 lbs. dist.

I also raise a mound of stone 4 ft. base, 2 ft. high W. of cor.
Chains

Thence E. 0° 56' W. (Record course N. 40.00 chs)

On a random line between secs. 21 and 22 N/2.

43.18 Fall 60 lks. W. of the cor. to secs. 15, 16, 21 and 22, which is a quartzite stone 10 x 10 x 14 ins. loosely set in a mound of stone and marked with 3 notches on E. and S. edges. In the same place I set a quartzite stone 10 x 12 x 24 ins., 16 ins. in the ground, marked 3 notches on E. and S. edges, and place the original cor. alongside. Raise mound of stone 4 ft. base, 2 ft. high W. of cor. I witness this cor., as follows:

A white oak 10 ins. dia. blazed and scribed T 20
S R 16 E S 16 B T bears N. 61° 00' W., 50 lks. dist.

A white oak 16 ins. dia. blazed and scribed T 20
S R 16 E S 22 B T bears S. 8° 16' E., 99 lks. dist.

(No other trees in lips)

True line is E. 0° 12' E., 43.18 chs.

Thence East. (Record course N. 89° 53' W. 40.20 chs.)

On a random line between Secs. 15 and 22.

38.93 Fall 17 lks. W. of the 1/4 sec. cor. between Secs. 15 and 22, which is a granite stone 6 x 8 x 12 ins. marked 1/4 on N. face and loosely set in a small mound of stone. I raise a mound of stone 4 ft. base, 2 ft. high around cor. and take the following witness trees:

A white oak 10 ins. dia. blazed and scribed
1/4 S 22 B T bears S. 25° 46' W., 162 lks. dist.

A white oak 16 ins. dia. blazed and scribed
1/4 S 15 B T bears N. 7° 40' W., 159 lks. dist.

True line is S. 89° 46' E. 38.93 chs.
Chains  
Thence East. (Record course N. 89° 53' W. 40.20 chs.)

On a random line between secs. 16 and 22 E/2.

<td><strong>140.53 Acres</strong></td>
</tr>
</tbody>
</table>

### IMPROVEMENTS

The improvements made upon this claim and belonging to the claimant herein consist of the following:

- A frame cabin 12 x 12 ft. Course of sides N. and S. The SW. cor. of which bears S. 80° 45' E. 496 chs. dist. from cor. No. 6.
  - **Value:** $50.00

- 3/4 miles of barbed wire fencing.
  - **Value:** $75.00

- A drilled well 90 ft. deep, the center of which bears N. 83° 13' E. 478 chs. dist. from cor. No. 6.
  - **Value:** $150.00

**Total value of improvements:** $275.00

### DESCRIPTION

This claim is located in a draw draining SE. About 60% of the area is suitable for farming. The remainder is rolling hillsides fit for pasture land only. About 50 acres have been plowed in the past.
there is no evidence of recent cultivation of the claim. The soil in the valley is a sandy loam, first rate, while the hillsides are steep and rocky. The only timber on the claim is a scattering stand of oak. A drilled well on the claim furnishes sufficient water for domestic use and for watering about 200 head of cattle.

There is no evidence of mineral on the claim.

**CONFLICTS AND ADJOINING CLAIMS**

There are no conflicts or adjoining claims.

Sonoita, Arizona, the nearest postoffice, railway station and trading place, is 3.3 miles E. of the claim.

The strip for a road along the S. boundary of the claim was left out with the consent of the claimant, and accordingly the survey does not close on the Camp Crittenden Military Reservation. Copy of signed statement from Entryman, agreeing to changes, and also agreeing to amend his entry to conform to this survey is attached.

---

Error in Lat. and Dept.:

Closing error 1:2224

Survey completed April 16, 1917.

Surveyor - Forest Service
January 14, 1919.

I, Glenn Perry, hereby agree to the survey of my homestead, Number 525, as made on the 16th day of April, 1917, by Forest Service Surveyor C. A. Long, and further agree that when notified that the survey has been approved and before attempting to make final proof on my entry, I will apply for amendment of the same to conform with said survey.

The changes made by the surveyor are, a strip 50 lks. wide was eliminated from the listing along the North bay. of the Camp Crittenden Military Reservation.

Form B2. Sheet No. 3. Revised Feb., 1919.

Directions:—1. Carry out calculations to two decimals only.
2. In balancing Latitudes and Departures do not obliterate or change the original figures.
3. Put the corrected figure or figures above in red ink. Do not change the footing of the original figures, but put below them the corrected footing in red ink. The corrections for balancing fallings should be proportional to the lengths of the lines.
4. In calculations of fallings take result to nearest link. In calculations of N. and S. areas drop all after second decimal. Surveyors are required to use the Standard Field Tables issued by the G. L. O.
5. Only three copies of this tabulation are necessary, for the District Office, the Surveyor General, and the Commissioner.

APPROVAL

Office of the United States Surveyor General,
Phoenix, Arizona, April 22, 1920

The foregoing field notes of Homestead Entry Survey No.
525

executed by C. A. Long, Surveyor,
under his special instructions, dated March 28, 1917, having
been critically examined, and the necessary corrections and explanations
made, the said field notes, and the surveys they describe, are hereby
approved.

[Signature]
U. S. Surveyor General.

I certify that the foregoing transcript of the field notes of the
above-described survey in the State of Arizona, has been
correctly copied from the original notes on file in this office.

FRANK P. TROTTR
U. S. Surveyor General.
