Survey executed by
Frank D. Yost, Surveyor - Forest Service,
Under special instructions dated February 15, 1918
Survey commenced
May 20, 1919
Survey completed
May 21, 1919
Under Acts of
June 12, 1906, and October 1, 1916.
OATH OF ASSISTANTS

We hereby certify that we assisted
Frank D. Yost,
Surveyor - Forest Service,
in surveying all those
parts or portions of Homestead Entry Survey No. 562, in the State of ARIZONA, which are represented in the following field notes as having been surveyed by him and under his direction; and that said survey has been in all respects, to the best of our knowledge and belief, well and faithfully surveyed, and the corner monuments established, according to the instructions furnished by the United States Surveyor General for ARIZONA.

Note: It would have been very expensive and inconvenient to appear before an officer to administer oaths to Assistants; hence, they were taken by the Surveyor.

Subscribed and sworn to before me this Sixth day of August, 1919.
Frank D. Yost,
Surveyor - Forest Service,
Chairman
Chairman

OATH OF SURVEYOR

Frank D. Yost, Surveyor - Forest Service,
do solemnly swear that, in strict conformity with the special instructions of the United States Surveyor General for ARIZONA dated February 15, 1918, and the laws of the United States, I have well, faithfully, and truly, in my own proper person, surveyed a tract of land embraced in

List of Patent No. 3-3846, dated June 7, 1918, for
the same to be known as Homestead Entry Survey No. 562, under the Act of June 11, 1906, situated within the
unsurveyed Section 29, Township 7 N., Range 13 E., and
unsurveyed Section 30, Township 7 N., Range 13 E., and
unsurveyed Section 31, Township 7 N., Range 13 E., and
of the GILA AND SALT RIVER BASE & MERIDIAN, ARIZONA, and the
related retracements and resurveys and section subdivisions, which are represented in the following field notes as having been surveyed by me; and I further solemnly swear that all the corners of said survey have been established and perpetuated in strict accordance with the stated special instructions, and in the specific manner described in the field notes, and that the following are the original field notes of such survey.

Subscribed and sworn to before me this Fifth day of November, 1919.

My commission expires March 17, 1921.
Chains

Applicant for listing A. C. Webb; Application No. 456, dated January 31, 1914; List No. 3-3866, dated June 7, 1916; H. B. 037542 made in the Phoenix Land Office on December 17, 1917, by Aaron Hacks.

Surveyed under special instructions from the Surveyor General for Arizona, dated February 15, 1918, and designated as Homestead Entry Survey No. 562.

Situated in what will probably be when surveyed Secs. 29, 30, 31 and 32, T. 7 N., R. 13 E., Gila and Salt River Base and Meridian, Tonto National Forest, Arizona.

Survey commenced May 20, 1919, and executed with a Surf and Surf transit No. 10019, equipped with Smith solar attachment.

I test the adjustments of the transit and make necessary corrections.

All distances are horizontal and were reduced from measurements made directly on the slope with a 500 link steel tape. The slope angles were determined with a clinometer.

May 20, 1919.

At Cor. No. 1 of this survey, hereinafter described, I observe the altitude of the sun for azimuth. The reading on the reference mark was set at 200° 13', and the sun was observed in all four quadrants of the field. My watch was set for local mean time.

Lat. 33° 52' 53" N., Long. 111° 03' 13" W., from special instructions from the Surveyor General and later verified.

The bearing of the reference mark is N. 16° 58' 54" E.

The two observations give a mean bearing of N. 16° 59' 31" E.

I accept bearing of reference mark as N. 16° 59' 20" E.

and from the corresponding meridian all the courses of this survey are referred by sustained angulation.

May 20, 1919.

Boundaries of Claim

Beginning at Cor. No. 1,

Identical with Cor. H-6 of the list survey, which is a red sandstone boulder 12 x 12 x 3 ins. above ground marked and witnessed as described by the Forest Service.

I destroy all trace of this list cor. Deposit a sandstone 4 x 3 x 2 ins. marked with a + 20 ins. in the ground, over which set a red sandstone 25 x 8 x 6 ins. chiseled + for the point and 1 H E S 562 on SE. face; raise a mound of stone 3 ft. base, 2 ft. high, SE. of cor., whence:

An oak 5 ins. dia., hrs. S. 87° 01' W. 10 lks. dist.

An oak 30 ins. dia., hrs. N. 8° 30' W., 11 lks. dist.

Each blazed and scribed 1 H E S 562 B T

The cor. of Secs. 25, 30, 31 and 36, T. 17 N., R. 12 and 13 E., accepted, a red sandstone 8 x 6 x 3 ins. above ground, firmly set and marked and witnessed as described by Surveyor General hrs. S. 79° 20' 24" W.
Chains
73.36 chs. dist. by traverse which appears
at the end of these notes.

Note: This survey was tied to the cor. of Secs.
25, 30, 31 and 36, T. 7 N., Rs. 12 and 13 E.
as the above cor. was more accessible than the
cor. of Secs. 5, 6, 31 and 32, Ts. 6 and 7 N.,
R. 13 E.

Lat. 33° 54' 53" N., Long. 111° 03' 13" W. from special
instructions from the Surveyor General and later veri-
fixed.

Mag. decl. at 8 a.m. is 14° 30' E. Mean mag. decl. is
14° 26' E.

Thence S. 85° 45' E.

Desc. 60 ft. over rocky SE. slope, thru dense scrub oak,
juniper and pinon.

13.20 Arroyo 60 lks. wide, banks 36 ft. high, running water 5
lks. wide 3 ins. deep, course NE. Wire fence crosses
arroyo and claim line at this point, fence bears N. 30°
W. and S. 30° E.

Ascend 30 ft. over NW. slope thru thick oak, juniper and
pinon.

20.51 Wire fence bears N. 35° E. and S. 35° W.

27.63 To Cor. No. 2,

Identical with Cor. H/5 of the list survey, which is a
yellow sandstone boulder 18 x 8 x 6 ins. above ground
marked and witnessed as described by the Forest Service.
I destroy all trace of this list cor. Deposit a sand-
stone 5 x 4 x 3 ins. marked with a + 26 ins. in the
ground, over which set an iron post 36 ins. long by
2 ins. dia. with brass cap mid 1919 on S. rim and 2 H
E S 562 in the SW. quadrant; raise amount of stone 3
ft. base, 2 ft. high SW. of cor., whence:

An oak 24 ins. dia. bears S. 58° 50' W.
96 lks. dist.

An oak 18 ins. dia. bears N. 59° 00' W.
81 lks. dist.
HOMESTEAD ENTRY SURVEY NO. 562

Value-------------------------$75.00

A frame barn 20 x 25 ft. the long sides extending NW.

and SE. the NW. cor. of which bears S. 41° 15' E.

18.10 chs. dist. from cor. No. 1.

Value-------------------------$150.00

2 Pole corrals, each 70 ft. dia. which lie approximately

S. 44° E. 18.50 chs. dist. from cor. No. 1.

Value-------------------------$100.00
Approximately 1 mile of wire fencing.  
Value-----------------$200.00

DESCRIPTION

Claim is located at the head of Salome Creek on the Salt River drainage area. The soil is a fine sandy loam 3 ft. deep, well drained, and should be very fertile.  
No water available for irrigation, but an ample supply for domestic use is obtained from the well. About 65% of the area is suitable for agricultural purposes. At the present time approximately 20 acres are under cultivation, 20 acres are still uncleared and the balance is non-agricultural land, included to simplify the claim boundaries. The timber on the uncleared portion is dense scrub oak, pine, juniper, pinon, with some cedar, which will run about 6 cords to the acre. None is saw timber, and because of the distance to market is considered of no commercial value.

I saw no signs of mineral on the claim.

CONFLICTS AND ADJOINING CLAIMS

There are no conflicts.

Young, Arizona, the nearest settlement and postoffice lies about 17 miles dist. by pack trail in a Northeast- erly direction.

APPROVAL

Office of the United States Surveyor General,

Phoenix, Arizona, May 22, 1920

The foregoing field notes of Homestead Entry Survey No.

executed by

under his special instructions, dated 191, having

been critically examined, and the necessary corrections and explanations

made, the said field notes, and the surveys they describe, are hereby

approved.

U. S. Surveyor General.

I certify that the foregoing transcript of the field notes of the

above-described survey in the State of Arizona, has been

correctly copied from the original notes on file in this office.

FRANK P. TROTT

U. S. Surveyor General.
