OATH OF ASSISTANTS

We hereby certify that we assisted
Surveyor - Forest Service
[Forest Service Title]

parts or portions of Homestead Entry Survey No. 598, in the State of ARIZONA which are represented in the following field notes as having been surveyed by him and under his direction; and that said survey has been in all respects, to the best of our knowledge and belief, well and faithfully surveyed, and the corner monuments established, according to the instructions furnished by the United States Surveyor-General for ARIZONA.

Note: It would have been very expensive and inconvenient to appear before an officer to administer Oaths to Assistants; hence they were taken by the Surveyor.

OATH OF SURVEYOR

I, Thomas F. Myers, Surveyor - Forest Service, [Forest Service Title], do solemnly swear that, in strict conformity with the special instructions of the United States Surveyor General for ARIZONA, dated May 14, 1919, and the laws of the United States, I have well, faithfully, and truly, in my own proper person, surveyed a tract of land embraced in List No. X-2181, dated May 26, 1914, and a tract of land upon the application of CLARENCE MARTIN.

Application No. 319, dated March 17, 1914, for
Listing and Patent, under the Act of June 11, 1906, the same to be known as Homestead Entry Survey No. 598, situated within the APACHE National Forest, in
un-surveyed Section 22, Township 43 N., Range 30 E., and
un-surveyed Section 27, Township 43 N., Range 30 E., of the GILA AND SALT RIVER BASIN & meridian, ARIZONA, and the related retracements and resurveys and section subdivisions, which are represented in the following field notes as having been surveyed by me; and I further solemnly swear that all the corners of said survey have been established and perpetuated in strict accordance with the stated special instructions, and in the specific manner described in the field notes, and that the following are the original field notes of such

Applicant for listing, Clarence Martin; Application No. 219, dated March 17, 1914; List No. 2-218, dated May 29, 1914; H.B. 039457, made in the Phoenix Land Office on May 21, 1919, by Claire V. Perry.

Also a tract of unlisted land adjoining claimant's entry was included in this survey; the land is agricultural in character, was desired by entryman and will be listed as a basis for amendment of his entry. This is therefore a composite survey.

Surveyed under special instructions from the Surveyor General for Arizona, dated May 14, 1919, and designated as Homestead Entry Survey No. 598.

Situated in what will probably be when surveyed Secs. 26 and 27, T. 4-1/2 N., R. 30 E., Gila and Salt River Base and Meridian, Apache National Forest, Arizona.

Survey commenced June 19, 1921, and executed with a Buff and Buff transit No. 10530, equipped with Smith solar attachment.

I test the adjustments of the transit and make necessary corrections.

All distances are horizontal, and were reduced from measurements made directly on the slope with a 500 link steel tape. The slope angles were determined with a clinometer.

The courses of this survey were deflected from the meridian determined by me by Polaris observation on June 18, 1921, near Cor. No. 7 of HBS. 602.

Unlisted area - - - - - - - - - - - - 17.05 acres
Total area - - - - - - - - - - - - 73.61 acres

IMPROVEMENTS

The improvements made upon and for the benefit of this claim and belonging to the claimant herein consist of the following:
A frame and log dwelling 14x12 ft., the long sides extending NE. and SW., the N. Cor. of which bears from Cor. No. 2 S. 77°40' W. 5.10 chs.
Value - - - - - - - - - - - - - $150.00
A log shed 12x14 ft., the long sides extending NW. and SE., the N. Cor. of which bears S. 86°30' W. 353 chs. from Cor. No. 2.
Value - - - - - - - - - - - - - $50.00
A log barn 10x12 ft., the long sides extending NW. and SE., the N. Cor. of which bears S. 84°00' W. 2.34 chs. from Cor. No. 2.
Value - - - - - - - - - - - - - $20.00
Approximately 1-1/4 miles of wire fencing.
Value - - - - - - - - - - - - - - - $125.00

DESCRIPTION

The claim is situated on Campbell-Blue Creek and is comprised mainly of bottom land along the creek. Approximately 80 per cent of the area is suitable for farming, of which about 20 acres were under cultivation at the time of survey. The rainfall is depended upon to grow crops.

Water for domestic use is obtained from a seep in Campbell Blue Creek.

There is no timber of commercial value on the claim.

I saw no indication of mineral on the claim.

This homestead is primarily of value for a stock ranch headquarters, for which it is at present being used.

CONFLICTS AND ADJOINING CLAIMS

There are no conflicts or adjoining claims. HES 602 lies about 5/8 mile to N.

Alpine, Arizona, the nearest postoffice and trading point, lies about 10 miles to NE. and is reached by trail.
