EMS TRANSMISSION: 11/21/00
Information Bulletin No **CA-2001-008**

To: District Manager, California Desert District, and all CA Field Office Managers

From: DSD, Support Services

Subject: State, District, Field Office 3-letter Unit Identifiers

This Information Bulletin is to clarify any confusion with regards to the correct nomenclature utilized during times of all Risk Incident Management and fire qualifications for all BLM California Offices.

The identifiers are unique for each agency and office when combined with a State 2-letter postal code. The identifiers maintain jurisdictional responsibility whether used for resource ordering, situation reporting, or resource tracking. There are currently no identifiers for individual field offices.

BLM California has four approved National 3-letter unit identifiers as follows:

CA -- CSO – California State Office

CA -- NOD – Northern California District, which includes:

Alturas Field Office
Surprise Field Office
Arcata Field Office
Ukiah Field Office
Redding Field Office
Eagle Lake Field Office

CA – CDD – California Desert District, which includes:

Riverside, CDD District Office
Ridgecrest Field Office
Palm Springs/South Coast Field Office
El Centro Field Office
Barstow Field Office
Needles Field Office

CA --BBD – Bakersfield District, which includes:

Bakersfield Field Office

Bishop Field Office

Folsom Field Office

Hollister Field Office

Please ensure that all personnel involved in all *Risk Incident Management* utilize the correct 3-letter unit identifier. Any questions should be directed to Les Matarazzi, Dept. of the Interior Coordinator, South Operations at 909-320-6145.
