Subject: Unauthorized Printing and Duplicating Procurements

Last month, the Denver office generated reports on unauthorized printing procurements made by employees using government issued credit cards. This is to remind you that **all** printing procurement **must** be made through the Government Printing Office (GPO).

Most field offices have term contracts established by the Government Printing Office to meet quick-turn around duplicating needs through a local vendor. GPO paperwork must be completed and submitted to the vendor with each print job you procure. The vendor bills GPO, and GPO charges your OFFICE COORDINATOR'S government issued credit card. Printing or Duplicating services procured on your term contract **MUST BE DONE THROUGH YOUR OFFICE COORDINATOR.**

Remote offices with minimal printing and duplicating needs have been given a waiver by the Government Printing Office, which is granted on a fiscal year basis. You may, in this case, use your government issued credit card to pay for printing services, **HOWEVER**, you must complete the waiver form, fax a copy to the Government Printing Office, retain the original with your credit card statement, **AND** report the purchase on the JCP Form No. 2 and send it to CA-912, Attn: AJ Ajitsingh. Again, you must work through your OFFICE COORDINATOR.

All other printing and duplicating procurements must be coordinated through AJ Ajitsingh in External Affairs. There are many regulations affecting the Printing Program. For more information, visit <http://web.ca.blm.gov/exaffairs/printing/printing.htm>.
