AGENDA

Call To Order – Gary Watts, Vice Chair

Acting Chair, Gary Watts, brought the meeting to order, explaining how recent MAC appointments/re-appointments are still pending approval in Washington, DC.

Roll Call – Danella George, DFO

Danella George called the Roll and advised representatives from Pinyon Community Council, Rancho Mirage, Palm Desert, UC Riverside, and Agua Caliente Band of Cahuilla Indians could sit at the MAC table, provide information, but would be unable to vote on any issues.

With a quorum present, the meeting continued. A decision was made, to alter the agenda and move up the Hang Gliding issue, with associated Public Comment period. There were a number of Hang Gliders and supporters present at this meeting. Dr. Tad Hurst, offered a PowerPoint presentation in support of allowing Hang Gliding within the National Monument, specifically at Vista Point, above the Highway 74 National Monument Visitor Center.

Hang Gliding – Dr. Tad Hurst

Full transcription of Dr. Hurst's presentation is included in the complete version of the MAC minutes. Dr. Hurst's presentation included a brief history of hang gliding from Vista Point, discussing some of the fears and concerns about hang gliding and showing examples from other areas around California. He stressed how hang gliders were concerned citizens, interested in protecting the environment and endangers species. How the hang gliding associations are noted for working with other Federal agencies.

Dr. Hurst went on to explain how hang gliding does not have the same wildlife impacts as hikers, mountain bikers, or equestrians, due to their

being at altitudes of 1,000 to 12,000-feet. There was also mention of the lack of noise caused by hang gliders, as opposed to the noise heard from a helicopter.

He completed his presentation with a proposal to work with the MAC in developing an amendment to the National Monument Plan, which would allow hang gliding launches from Vista Point.

After additional discussion, which included questions on jurisdictional responsibility, a work group was formed to conduct further research into the issue. Dr. Al Muth volunteered to be the chair. The group includes MAC members, agency personnel, hang gliders, and other concerned parties. The work group will be meeting and offer a report at the next meeting. [Work Group Schedule will be posted on National Monument Web pages at ^[w] <http://www.ca.blm.gov/palmsprings/santarosa/monumentworkinggroup.html>

[Full text of comments may be found within full transcript of this meeting.]

Gary Watts, thanked everyone on behalf of the MAC and proceeded on with the MAC agenda.

Review of Minutes – MAC members

Minutes from last meeting were approved.

Old/New Business – MAC members

Old and new business, Danella George explained how due to the length of time it takes to get MAC nominations approved, we are beginning the process for the next five members whose terms will expire in November.

These include: Representatives for the cities of Cathedral City, and Indian Wells, the Coachella Valley Conservancy, Winter Park Authority, and Riverside County.

The Federal Registry Notice has already been issued upon publication there will be a 60-day window to receive applications. In the meantime,

blank nomination packages were provided to above named representatives.

Brief discussion on situation with Pinyon Community Council representative/nomination, noted Frank Mowry would be attending Pinyon Community Council to discuss options and assist them with the nomination process. Nomination process briefly reviewed for MAC.

Briefly, business plan has is in final process of prioritization in order to comply with DOI, NLCS, BLM and Field Office needs.

New personal contact sheet is being circulated, please review and update your contact information.

Updates –

BLM – Gail Acheson

Brief update on current work being done at the Palm Springs-South Coast Field Office, including issue revolving around relining canal work being done, which has temp. closed access from an Irrigation District access road to Dos Palmas and Bradshaw Trail. Reminder of OHV closures in Wilderness areas.

Inter-agency Cooperation – Acheson/Rosenthal

Briefly they reviewed and covered some areas of cooperation within the National Monument, including some budget and staffing issues as well. Both agencies are working toward seamless management between two agencies.

USFS – Laurie Rosenthal with John Ladley

MAC advised of current budget issues affecting Forest Service. Additional work caused and some delays due to winter snows and recent rain. Progress is being made on Forest Plan, and fuels reductions projects.

John Ladley, provided briefing on status of Recreation issues and funding within Forest Service parts of National Monument. Discussing occurred surrounding the Adventure Pass [see transcript for full details]. It was noted, with the loss of recreation funds, there is a greater need for volunteers to step up and participate in some of the traditional operations and maintenance tasks for the Forest Service and National Monument. MAC has asked Ladley to provide further presentation funding and Adventure Pass at the next meeting.

Plans are moving forward for replacement of large billboard sign on Highway 74.

Public Comment

Ms Gail Kathy addressed the MAC regarding development being undertaken near the Martinez Mountains Slide, and how it is, and may affect public access.

What is Branding? – Frank Jones

Due to a time issue, decision made to alter agenda again and let Frank Jones from *Palm Springs Life* provided a briefing on what branding is and how to use it to better market the National Monument. [see *completed details in full transcript notes*] This is a very passionate issue and tends to create heated discussions.

Decision made to form Branding Work Group, Mary Roche volunteered to be chair, and do some further research into this subject. A report will be made at the next MAC meeting in June.

Updates (cont). –

National Monument – Danella George

In addition to earlier information already provided regarding MAC nominations, appointments, hang gliding, etc. The MAC was asked if they desired to renew their Charter. Decision made to have DFO take care of necessary paperwork to ensure Charter is renewed.

Interpretive Plan – Tracy Albrecht

Tracy Albrecht provided brief background on how Interpretive Plan was developed and advised MAC a copy of the Plan has been provided to all members today for their review and comments.

CVMSHCP – Bill Havert

Bill Havert reported the MSHCP comment period has been extended until 7 March. CVAG, working with Fish and Game is preparing to review comments and take necessary actions.

Sign Work Group – Jim Foote

Advised MAC, after consulting with Gary Watts, work group chair, and experiencing a number of no-shows at the last scheduled meeting, the idea is to move forward and develop a draft sign plan and circulate it for review.

Final Comments

Buford Crites reminded MAC members of the Henderson Trail Dedications taking place at the National Monument Visitor Center at 1 p.m. and inviting all to attend.

Question came up about people getting lost on the Guadeloupe Trail, would it be possible to do some signing along the trail.

Reviewing work accomplished:

- ◆ Agreed to Re-Charter the MAC;
- ◆ Established Hang Gliding Work Group – Al Muth as chair;
- ◆ Established Branding Work Group – Mary Roche as chair;
- ◆ Next meeting will have a presentation from John Ladley regarding Adventure Pass Fees;
- ◆ MAC desires a 'laundry-type' list for what is / is not being funded in the National Monument for 2005;
- ◆ Some kind of a table of organizations showing staffing for the National Monument, and how it is being funded.
