

Case Recordation Geothermal Nominations

Menu Option: CR Geothermal Nominations

Purpose: This report will display the legal description for all lands that have been nominated for a geothermal sale.

Selection Criteria: This report allows you to search on a combination of mandatory and optional criteria.

Mandatory Criteria: Admin State

Optional Criteria: Meridian Township Range or Meridian Township Range Section

Procedure:

1. Select **CR Geothermal Nominations** from the reporting menu.

The screenshot shows the BLM Reporting Application interface. At the top, it says "U.S. DEPARTMENT OF THE INTERIOR BUREAU OF LAND MANAGEMENT Reporting Application". Below this, there are two buttons: "Return to Report Menu" and "Download Plugin". The main heading is "CR GEOTHERMAL NOMINATIONS (LR2000 INTERNAL REPORTS)". Below that, it says "Please Choose Which Criteria You Would Like to Filter On". Under "MANDATORY CRITERIA", there is a checked checkbox for "Admin State *". Under "CHOOSE ANY OF THE FOLLOWING CRITERIA", there are unchecked checkboxes for "Mer Twp Rng" and "MTRS". A "Select Criteria" button is at the bottom. The footer contains links for USA.gov, E-Gov, Take Pride, Volunteer.Gov, Recreation.Gov, Forms, Privacy Policy, FOIA, Disclaimer, Contact Us, Accessibility, and Site Map.

2. Click **Select Criteria** to specify search criteria values.

The screenshot shows the BLM Reporting Application interface after clicking "Select Criteria". The heading is "CR GEOTHERMAL NOMINATIONS (LR2000 INTERNAL REPORTS)". Below that, it says "Please Set the Limits You Would Like to Filter On". Under "MANDATORY CRITERIA", there is a "Set" button next to "Admin State". Below this, there are three buttons: "Run Report", "Reset Criteria", and "Run Report Without Plugin". The footer contains links for USA.gov, E-Gov, Take Pride, Volunteer.Gov, Recreation.Gov, Forms, Privacy Policy, FOIA, Disclaimer, Contact Us, Accessibility, and Site Map.

Note: Entry into text fields **MUST** be in upper case.

TIP: To select multiple values for a criterion, enter each code separated by a comma in the text field or use the ALT key (for non-sequential items) or Shift key (for sequential items) and select multiple items in the list box. Click Close or click Set for another criterion to retain the search criteria.

Identify the Mandatory Information:

3. Click **Set** for **Admin State** to specify the geographic state(s) in which to report information.

Type the two-letter state code in the text field or select it from the list.

Identify the Optional Information:

4. Click **Set** for **Mer Twp Rng** or **MTRS**

Setting these criteria is basically the same for each except that MTRS also includes the section code.

The screenshot shows a web form titled "OPTIONAL CRITERIA" with a "Close" button and the text "MTRS". Below this, the "MTRS Format" is displayed as "06 0010S 0980W 001". The form contains several input fields and buttons:

- Meridian:** A dropdown menu showing "08 - BOISE MER".
- Township:** A text field with "001", a "Fraction" dropdown with "None", and a "Direction" dropdown with "North".
- Range:** A text field with "001", a "Direction" dropdown with "East".
- Section:** A text field with "005".
- Buttons: "Add to MTR List", "Clear Above Values", "Select All", and "Remove".
- Icons: A red "X" and a green checkmark.
- A list box at the bottom contains the entry "08 0010N 0010E 005".

Click on the arrow next to **Meridian** and select the meridian.

Click in **Township** field and enter the township number.

Click on the arrow for **Direction** and select North or South

Click in **Range** field and enter the range number.

Click on the arrow for **Direction** and select East or West.

Click on **Section** field and enter the section number.

Click on the **ADD To MTR List**.

You can add more townships and ranges or sections by double clicking in the appropriate field, typing in the new description, and clicking on the ADD to MTR List button.

If you need to enter a 1/2 township use the fraction button next to township. If you need to select a duplicate township use the fraction button next to range to select Dup A or Dup B.

Note: To change criteria selection, click **Return to Criteria Selection**.

Process Report:

5. After selecting all criteria, click **Run Report**.
6. Click **OK** to confirm the report criteria.

<p>When the report has finished processing, there are multiple format options available. In the Sections area select the report format you are interested in.</p>	
---	--

EXAMPLE:

Query: What lands have been nominated in Nevada for a geothermal sale?

Set Admin State

Type “NV” into the edit field *or* select “NV” in the list box.

Click “**Run Report**”

When the processing has completed, the cursor will change from an hourglass back to an arrow and the **Geothermal Nominations** report will be displayed.

Geothermal Nominations

This report lists the admin state, meridian, township, range, section, survey type, survey suffix and subdivision for all lands that have been nominated for a geothermal sale in the state selected.
