

## **Best Practices – Questions to develop the best practices summary for Oregon and Washington**

1. How would you summarize your practice? Briefly describe what was done or what “it” is.
2. What was your goal or objective when you began?
3. How did you set up the practice for success? Describe pertinent history, learning moments, and key strategies.
4. Are there key elements or documentation steps that are needed to obtain authority or to secure understanding, e.g. Inter-governmental Orders, permits, contracts?
5. Do you have copies of references, agreements or documents that you prepared and used in achieving your goal(s)? Please attach. (The idea is to put all of the tips within a reader’s easy grasp).
