

**Bureau of Land Management
FY 2005 Proposed Land Sales**

Direct Sale: Sales to State or local governments for public needs, sales to resolve title or occupancy issues, or sales to an adjacent property owner of public land with no public access.

Modified Competitive (Mod. Comp.) Sale: Sales that allow an existing user or adjacent property owner to meet the high bid at a public sale; to protect existing uses or assure compatibility of uses on adjacent lands.

Competitive Sale: Sales of public land that have potential competitive market value and lands are generally accessible and usable regardless of adjacent land ownership.
