Annual Steens Rim Run Set for August 1

HINES, Ore. – The Annual Chris Miller Memorial Steens Rim Run and Walk (Rim Run) is set for Saturday, August 1.

The Rim Run starts on the Steens Mountain Loop Road near Jackman Park Campground and finishes at the East Rim Overlook. The 10K course follows the east rim of the Steens Mountain, passing the headwaters of both Fish Creek and the Little Blitzen. As you run along the rim's edge, a number of high mountain views will make the run a memorable experience. The race offers a tremendous challenge starting at an elevation of 7,835 feet and finishing above 9,700 feet. The Rim Run is often noted as the toughest 10K in Oregon.

The walk and run races will begin at 9:30 and 10:00 a.m., respectively. Participants should come dressed in attire appropriate for varying climates – weather conditions can range from hot and dry to snowy and windy, even in August, and especially at higher elevations. Complimentary fruit and beverages will be available at the finish line, and prizes will be awarded to top finishers in each age category as soon as the race is over.

A portion of the Steens Mountain Loop Road will be closed temporarily during the event. The area between Jackman Park Campground and the East Rim Overlook will be closed from 8:30 a.m. to 1:30 p.m., preventing travel around the entire Loop Road for the period. Visitors are encouraged to be cautious of event participants and expect increased traffic in the area throughout the day.

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.
