Nominations Due – April 25th

Notification of Selection – April 29th

TARGET GROUP – All ICS positions or personnel seeking general knowledge of incident business management and the PMS 902 (Interagency Incident Business Management Handbook).

COURSE PREREQUISITES – NONE

COURSE DESCRIPTION – This course meets general training needs of all positions which an understanding of interagency incident business management is required. The Interagency Incident Business Management Handbook is the primary job aid to supplement this course. It provides basic policy and direction for incident business management.

COURSE OBJECTIVES:

Locate and apply appropriate regulations, established interagency procedures, and necessary forms for each of the following incident management areas:

- Application of conduct and ethics in incident support
- Recruitment, classification, pay provisions, and timekeeping/recording, commissary, injury compensation and travel
- Acquisition
- Managing and tracking government property
- Interagency coordination and cooperation
- Investigation and reporting of accidents
- Investigating, documenting, and reporting claims
- Containing incident costs
- All Risk
