Temporary Road Closure on Ferguson Creek Road

Eugene, Ore. - The Bureau of Land Management (BLM) Eugene District will be replacing four culverts on BLM Road 15-6-26 (Ferguson Creek Road) between mile posts 2 and 5 starting on July 8, 2013. During this time the road will be closed to traffic for a minimum of 30 days and a maximum of 60 days. We will issue notification when the road will reopen.

Please call the BLM Eugene District Office at (541) 683-6600 for more information.

About the BLM: The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's multiple-use mission is to sustain the health, diversity, and productivity of the public lands for the use and enjoyment of present and future generations. In Fiscal Year 2012, activities on public lands generated \$4.6 billion in revenue, much of which was shared with the States where the activities occurred. In addition, public lands contributed more than \$112 billion to the U.S. economy and helped support more than 500,000 jobs.
