FIRE UPDATE

Lakeview, Ore – After lightning activity last night, interagency fire crews have been responding to smoke reports on lands managed by the Fremont-Winema National Forest, the Bureau of Land Management (BLM) Lakeview District, Oregon Department of Forestry (ODF), National Park Service - Crater Lake and U.S. Fish and Wildlife Service. As of 0800, firefighters are responding to 27 reported fires from yesterday's storms in the South Central Oregon Fire Management Partnership area (SCOFMP).

The largest is the 44 acre Campbell fire located approximately 15 miles northeast of Plush, OR on BLM - Lakeview District lands. While the second largest on ODF protected lands is the 2.5 acre Assumption fire located near Chiloquin, OR.

The National Weather Service has issued a Red Flag Warning for Wednesday afternoon through evening for areas north of Chemult and Silver Lake for high winds and low relative humidities. All areas south have a predicted forecast mostly cloudy with scattered showers until noon then partly cloudy with temperatures in the 70s to 80s. While south central Oregon desert including the BLM land may experience this afternoon scattered showers and isolated thunderstorms.

Information can be found on the National Weather Service Medford Office website:
