TIMBER SALE NOTICE

NOTICE IS HEREBY GIVEN that the Bureau of Land Management will offer for sale timber as described herein for oral auction, pursuant to Instructions to Bidders, as stated on Form No. 5440-9 and subject to Notice of Requirement for Certification of Nonsegregated Facilities, Form No. 1140-4, attached. Written and oral bids will be received by the District Manager, or his representative, at the Medford Interagency Office, 3040 Biddle Road, Medford, Oregon, telephone (541) 618-2200. The timber sale will commence at 9 a.m. on Thursday, December 18, 2008.

THIS TIMBER SALE NOTICE does not constitute the decision document for purposes of protest and appeal of a forest management decision. Consistent with 43 CFR Subpart 5003 – Administrative Remedies, the notice of a timber sale, when published as a legal ad in a newspaper of general circulation shall constitute the decision document for purposes of protest and appeal. Protests may be filed with the Contracting Officer within 15 days of the publication of the aforementioned decision document in the newspaper. The regulations do not authorize the acceptance of protests in any form other than a signed, written hard copy that is delivered to the physical address of the advertising BLM office. (No e-mail or fax protests will be accepted.) It is anticipated that the decision document will be published in the Medford Mail Tribune newspaper on or about November 20, 2008. BLM does not warrant publication on this exact date. All parties considering protest of the timber sale decision document are encouraged to review the aforementioned newspapers to ensure accurate knowledge of the exact publication date.

A WRITTEN BID on Form 5440-9 at not less than the appraised price on a unit basis per species and the required minimum bid deposit shall be required to participate in oral bidding for each tract.

APPRAISED PRICES are determined by analytical appraisal methods unless otherwise noted on individual timber sale notices.

THE SUCCESSFUL BIDDER, as a condition of award, will be required to complete and/or sign the following forms:

1. Form 1140-6, a certification that the bid was arrived at by the bidder or offeror independently, and was tendered without collusion with any other bidder or offeror.
2. Form 1140-7, Equal Opportunity Affirmative Action Program Representation, for all contracts over \$10,000.00.
3. Form 1140-8, Equal Opportunity Compliance Report Certification.
4. Form 5450-17, Export Determination.

A PERFORMANCE BOND in an amount not less than 20 percent of the total purchase price will be required for all contracts of \$2,500 or more, but the amount of the bond shall not be in excess of \$500,000, except when the Purchaser opts to increase the minimum bond as provided in 43 CFR 5451.2. A minimum performance bond of not less than \$500 will be required for all installment contracts less than \$2,500.

QUALIFIED SMALL BUSINESS concerns may apply to the Small Business Administration for a loan to provide financing for access road construction required under the terms of qualifying timber sale contracts and necessary contract changes will be made. Approval of loan applications rests with the Small Business Administration and may be contingent upon availability of funds. Applicants for such loans shall notify the Bureau of Land Management of their intention to apply for such loan.

LOG EXPORT AND SUBSTITUTION. All timber sales shall be subject to the restrictions relating to the export and substitution of unprocessed timber from the United States in accordance with P.L. 94-165 and 43 CFR 5400 and 5420, as amended.

ADDITIONAL INFORMATION concerning each timber sale tract described herein is available at the Medford Interagency Office. A copy of the timber sale contract is also available for inspection at the Interagency Office.

THE VOLUMES LISTED herein are estimates only, based on 16-foot taper breaks, which must be taken into consideration if comparisons are made with volume predictions based on other standards. The volumes based on 32-foot taper breaks are shown for comparison purposes. No sale shall be made for less than

the total purchase price, without regard to the amount bid per unit, even though quantity of timber actually cut or removed or designated for taking is more or less than the estimated volume or quantity so listed.

***SCALE SALES.** The estimated volume listed herein, in 16-foot logs, is based on sample plots of the salvage area, comparable stand types, and aerial photos. The estimate of volume is used solely as an administrative aid for determining when payments are due, value of timber subject to any bonding provisions, timber sale appraisal, and other purposes specified in various sections of the contract. Sale volumes will be scaled, graded and determined by a certified third party scaling organization (TPSO) scaler. The scaling rules will be according to the Northwest Log Rules Eastside Log Scaling Handbook, as amended, or supplemented by BLM before the first advertisement date of the sale and as specified in the contract. BLM scale varies significantly from the official log scaling and grading rules used by Columbia River Scaling Bureau and other Bureaus. Payment for timber sold under these contracts will be based on units times the price per measurement unit as shown on Exhibit B together with the terms and conditions listed therein, and may be more or less than the total bid purchase price. For further information see the Timber Sale Prospectus.

INSTALLMENT PAYMENTS may be authorized for sales of \$500 or more. Required installments will be determined by BLM. For sales under \$500,000, installments will not be less than 10% of the total purchase price. For sales of \$500,000 or more, installment payments shall be \$50,000.

A SALE DEPOSIT equal to an installment is required prior to approval of the contract. This deposit must be made in cash or by check payable to the Department of Interior - BLM.

AN IRREVOCABLE LETTER OF CREDIT (ILC) may be used in place of bid bonds, performance bonds, and payment bonds. ILC 's must be approved by the Authorized Officer prior to use and are subject to certain limitations. Contact the Interagency Office for further information.

THE PURCHASER is given no authority to enter upon or cross any private lands or to use any privately-owned property or improvements unless such rights are specifically covered in the contract stipulations. If the Purchaser desires to make any use of private property which is not specifically authorized by the contract, they must make the necessary prior-arrangements for such use with the landowner.

PRIOR TO STARTING any operations, the Purchaser or their designated representative will be required to meet with the Authorized Officer or their representative and the Contract Administrator for a prework conference. If a subcontractor is to be involved in the operation, the subcontractor must also be represented at the conference. If more than one subcontractor is to be involved

in the operation, it may be necessary to have more than one prework conference unless all subcontractors can be present at one conference.

PRIOR TO THE AWARD of any timber sale, the Bureau of Land Management may require the high bidder to furnish such information as is necessary to determine the ability of the bidder to perform the obligations of the contract. The following information is required for first time high bidders bidding as:

1. Individuals

- a. A Citizenship Affidavit, Form 5450-9.
- b. A certified Financial Statement prepared no earlier than 60 days prior to the sale date.

2. Partnerships or Unincorporated Associations

- a. A Citizenship Affidavit, Form 5450-9, for each member of the partnership or association.
- b. A copy of the partnership agreement, or if no formal partnership agreement, a letter showing the nature of the business conducted by the partnership, the partnership term, and the name of the partner or partners authorized to execute timber sale contracts and performance bonds on behalf of the partnership.
- c. A certified Financial Statement prepared no earlier than 60 days prior to the sale date.

3. Corporations

- a. A certified copy of the articles of incorporation and by-laws.
- b. A certified copy of the resolution of the board of directors authorizing the officers to sign timber sale contracts and performance bonds on behalf of the corporation.
- c. An original certificate from the Corporation Commissioner authorizing the corporation to transact business in the State of Oregon.
- d. A certified Financial Statement prepared no earlier than 60 days prior to the sale date.

Those bidders who have demonstrated poor performance, including recent contract defaults, may be required to provide additional performance assurances in the form of advanced payment and/or an increased performance bond as a condition for award of contract. These extraordinary requirements may be required on a case-by-case basis.

PREAWARD QUALIFICATIONS. The higher bidder may be required to furnish information to determine the ability to perform the obligations of the contract. If the high bidder is determined not qualified, responsible, or refuses to respond within five (5) days of a request for information pertaining to qualifications, the contract may be offered and awarded for the amount of the high bid to the highest of the bidders who is qualified, responsible, and willing to accept the contract.

OTHER. 43 CFR Chapter 11 (10-1-92 Edition), Subpart 5442 - Bidding Procedure. § 5442.3 Rejection of Bids; Waiver of Minor Deficiencies. When the Authorized Officer determines it to be in the interest of the Government to do so, he may reject any or all bids and may waive minor deficiencies in the bids or the timber sale advertisement. (38 FR 6280, March 8, 1973).

ENVIRONMENTAL ASSESSMENTS were prepared for these sales, and a Finding of No Significant Impact has been documented. These documents are available for inspection as background for these sales at the Medford Interagency Office.

UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

NOTICE OF REQUIREMENT FOR CERTIFICATION
OF NONSEGREGATED FACILITIES

Bidders and offerors are cautioned as follows: by signing this bid or offer or entering into this contract or lease, as the case may be, the bidder, offeror, or contractor will be deemed to have signed and agreed to the provisions of the Certification of Non-segregated Facilities in this solicitation. The certification provides that the bidder or offeror does not maintain or provide for his employees facilities which are segregated on a basis of race, color, religion, sex, or national origin, whether such facilities are segregated by directive or on a de facto basis. The certification also provides that he will not maintain such segregated facilities. Failure of a bidder or offeror to agree to the Certification of Nonsegregated Facilities will render his bid or offer nonresponsive to the terms of solicitations involving awards of contract exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause.

In accordance with 41 CFR 60, as amended May 19, 1967, and Executive Order No. 11246 of September 24, 1965, as amended, this notification will be included in all notices of invitations for bid, lease, offers, and requests for proposal where prospective nonexempt contracts may exceed \$10,000.

THIS IS A SCALE SALE

BUTTE FALLS AREA
JACKSON MASTER UNIT

Medford Sale #09-04
December 18, 2008 (TG)

#1. LOOKOUT B LOW SALVAGE (5900), Jackson County, O&C.

*Stumpage values have been determined by market value estimates and analytical appraisal methods were used to compute the appraised price. Additional information concerning the appraised price is available at the Medford Interagency Office.

**Minimum stumpage values were used to compute the appraised price (10% of pond value).

TIMBER AUCTION LOCATION – The timber auction will be held at the Medford Interagency Office, located at 3040 Biddle Road, Medford, Oregon, at 9 a.m. on Thursday, December 18, 2008.

CRUISE INFORMATION – The timber volumes were based on fixed plots and 100% cruises of the salvage area using form class tables for estimating board foot volumes of trees in 16 foot logs. All of the sale volume is salvage material. With respect to merchantable trees of all conifer species: the average tree is 20.9 inches DBHOB; the average gross merchantable log contains 142 bd. ft.; the total gross volume is approximately 5,193 M bd. ft.; and 79% recovery is expected. (Average DF is 20.9 inches DBHOB; average gross merchantable DF log contains 145 bd. ft.)

Bidders will be restricted to bidding on a unit (MBF) rate of the Douglas-fir volume. All other species will be sold at appraised price per unit (MBF). The minimum bid increment will be \$0.10 per MBF.

LOG EXPORT AND SUBSTITUTION RESTRICTIONS - All timber sold to the Purchaser under the terms of the contract, except exempted species, is restricted from export under the United States in the form of unprocessed timber and is prohibited from use as a substitute for exported private timber.

The BLM has revised the log export restrictions special provision to reduce the log branding and painting requirements. The new requirements include branding of one end of all logs with a

scaling diameter of over 10 inches. All loads of 11 logs or more, regardless of the diameter of the logs, will have a minimum of 10 logs branded on one end. All logs will be branded on loads of 10 logs or less. One end of all branded logs will be marked with yellow paint. At the discretion of the Contracting Officer, the Purchaser may be required to brand and paint all logs. The Purchaser shall bear any increased costs for log branding and painting.

CUTTING AREA – Thirty-two (32) units containing seven hundred fifteen (715) acres plus an additional thirty (30) blue marked trees in the reserve area must be salvaged.

CUTTING TIME - Contract duration will be twenty-four (24) months for cutting and removal of timber. If the purchaser of this timber sale contract has one or more existing approved BLM green tree timber sale contract(s), 43 CFR § 5473.4 (d) authorizes the BLM to grant a contract extension(s) on the approved green tree sale(s). A request for extension(s) of the green tree timber sale contract(s) may be submitted to the State Director. The duration of the extension(s) shall not exceed the time necessary to meet the salvage objectives of this sale. The State Director may waive reappraisal for such extension(s). 43 CFR § 5473.1 states that: "In order to be considered, written requests for extension shall be delivered to the appropriate BLM office prior to the expiration of the time for cutting and removal".

ACCESS - Access to the sale area is available via public roads and through the contract area using existing BLM roads and Right-of-Way and Road Use Agreement M-2000 with Indian Hill, Coast Range Resources, and Plum Creek Timberlands. Among other conditions, this agreement requires completion of an agreement between the Purchaser and the Permittees.

ROAD MAINTENANCE - The purchaser will be required to maintain all the roads which he constructs plus 26.64 miles of existing BLM and Private roads. BLM will maintain 3.95 miles of roads 35-2E-2 and 34-3E-29.1. The Purchaser will be required to pay a maintenance and rockwear fee for an estimated total of \$6,861.06 for the use of BLM roads an estimated total of \$3,311.13 for the use of Private roads.

ROAD CONSTRUCTION – The contract will require the Purchaser to construct 9 stations of temporary spur and renovate 26.94 miles of road. Additional information is available in the timber sale prospectus.

SOIL DAMAGE PREVENTION - Pursuant to Section 25 of Form 5450-3, Timber Sale Contract, the Purchaser shall not operate or cause to have operated on the contract area any tractor-type logging equipment when soil moisture content exceeds twenty-five (25) percent by weight as determined by the oven-dry method.

EQUIPMENT REQUIREMENTS - A yarding tractor not greater than 9½ feet in width and equipped with a winch system capable of lining logs at least 75 feet. A tractor equipped with winged-toothed rippers. A skyline yarder capable of one end suspension of logs during in-haul and with a minimum lateral yarding capability of 75 feet while maintaining a fixed position of the carriage during lateral in-haul.

SLASH DISPOSAL - Slash disposal will consist of lop and scatter in 12 units; hand piling of slash and brush, covering of piles, burning of piles, and mop-up on 5 units. Additionally, as designated by the Authorized Officer, units would require slashing damaged trees less than 6" in diameter; excavator piling of slash and brush, covering of piles, burning of piles, and mop-up in 9 units.

CONTRACT TERMINATION - A Special Provision has been added to the contract which enables the Contracting Officer to suspend the contract to facilitate protection of certain plant or animal species, and/or to modify or terminate the contract when necessary to comply with the Endangered Species Act, or comply with a court order, or protect occupied marbled murrelet sites in accordance with the Standards and Guidelines of the Medford District Record of Decision

(ROD) and Resource Management Plan (RMP). This contract provision limits the liability of the Government to the actual costs incurred by the Purchaser which have not been amortized by timber removed from the contract area.

PERFORMANCE BOND - A performance bond in the amount of 20% of the total purchase price will be required.

OTHER -

1. No extension of time beyond the normal 30 days will be granted for completing bonding and contract signing requirements.
2. Various seasonal restrictions are placed on this sale.
3. There is a 44 foot log length restriction of trees over 24" DBH.
4. Purchaser is required to designate 120 linear feet of coarse woody debris for retention in 29 units.
5. The Government (at its option) may designate additional standing timber for cutting and removal prior to harvest of individual units.
6. Directional falling is required.
7. Hand Piling must be completed within 8 weeks of notification by BLM in each unit where piling of slash is required.
8. Excavator piling shall be completed within 30 days of completion of yarding in each unit where piling of slash is required.
9. Cleaning of equipment to eliminate noxious weed seeds is required prior to move-in of equipment onto federal lands.
10. Designated skid roads are required on tractor units.
11. Ripping of tractor skid roads is required in 17 units.
12. Dust abatement is required.
13. Purchaser should be aware that Logging residue reduction costs listed under SD-5 are in addition to costs assessed under SD-4. Refer to the appraisal for total assessed costs of logging residue reduction.

NARRATIVE DESCRIPTION OF HOW TO GET TO THE TIMBER SALE AREA – From the town of Butte Falls, Oregon, proceed east on the Butte Falls-Fish Lake Highway for approximately 0.5 miles to the Butte Falls-Prospect Highway. Turn left and proceed 0.5 miles to the Fredenburg Road. Turn left to access units in sections 1, 3, 24, 26, and 35. To access units in section 31, continue on the Butte Falls-Prospect Highway for approximately 2.7 miles to the 35-3E-6 road. Turn left. Section 31 units are also accessed by continuing north on the Butte Falls-Prospect Highway for approximately 1 mile to road 34-3E-31.1. Turn left and proceed to the 34-3E-31.2 road. The 34-3E-31.2 road directly accesses the section 31 units. To access the units in section 13, 19, and 24 (east half), continue north on the Butte Falls-Prospect Highway for approximately 1 mile to the 34-3E-29.1 road. Turn left.

ENVIRONMENTAL ASSESSMENT - An Environmental Assessment (EA-OR115-08-02) was prepared for this sale, and has been documented. This document is available for inspection as background for this sale at the Medford Interagency Office.

*Stumpage values have been determined by market value estimates and analytical appraisal methods were used to compute the appraised price. Additional information concerning the appraised price is available at the Medford Interagency Office.

TIMBER AUCTION LOCATION – The timber auction will be held at the Medford Interagency Office, located at 3040 Biddle Road, Medford, Oregon, at 9 a.m. on Thursday, December 18, 2008.

CRUISE INFORMATION – The timber volumes were based on fixed plots and 100% cruises of the salvage area using form class tables for estimating board foot volumes of trees in 16 foot logs. All of the sale volume is salvage material. With respect to merchantable trees of all conifer species: the average tree is 21.1 inches DBHOB; the average gross merchantable log contains 135 bd. ft.; the total gross volume is approximately 2,963 M bd. ft.; and 83% recovery is expected. (Average DF is 22.0 inches DBHOB; average gross merchantable DF log contains 142 bd. ft.).

Bidders will be restricted to bidding on a unit (MBF) rate of the Douglas-fir volume. All other species will be sold at appraised price per unit (MBF). The minimum bid increment will be \$0.10 per MBF.

LOG EXPORT AND SUBSTITUTION RESTRICTIONS - All timber sold to the Purchaser under the terms of the contract, except exempted species, is restricted from export under the United States in the form of unprocessed timber and is prohibited from use as a substitute for exported private timber.

The BLM has revised the log export restrictions special provision to reduce the log branding and painting requirements. The new requirements include branding of one end of all logs with a scaling diameter of over 10 inches. All loads of 11 logs or more, regardless of the diameter of the logs, will have a minimum of 10 logs branded on one end. All logs will be branded on loads of 10 logs or less. One end of all branded logs will be marked with yellow paint. At the discretion of the Contracting Officer, the Purchaser may be required to brand and paint all logs. The Purchaser shall bear any increased costs for log branding and painting.

CUTTING AREA – Twenty-one (21) units containing three hundred ninety-five (395) acres plus an additional eighty-eight (88) green or blue marked trees on approximately 4 acres in the reserve area must be salvaged.

CUTTING TIME - Contract duration will be twelve (12) months for cutting and removal of timber. If the purchaser of this timber sale contract has one or more existing approved BLM green tree timber sale contract(s), 43 CFR § 5473.4 (d) authorizes the BLM to grant a contract extension(s) on the approved green tree sale(s). A request for extension(s) of the green tree timber sale contract(s) may be submitted to the State Director. The duration of the extension(s) shall not exceed the time necessary to meet the salvage objectives of this sale. The State Director may waive reappraisal for such extension(s). 43 CFR § 5473.1 states that: "In order to be considered, written requests for extension shall be delivered to the appropriate BLM office prior to the expiration of the time for cutting and removal".

ACCESS - Access to the sale area is available via public roads and through the contract area using existing BLM roads and Right-of-Way and Road Use Agreement M-2000 with Indian Hill, Coast Range Resources, and The United States Forest Service. Among other conditions, this agreement requires completion of an agreement between the Purchaser and the Permittees.

ROAD MAINTENANCE - The purchaser will be required to maintain all the roads which he constructs plus 13.6 miles of existing BLM and Private roads. BLM will maintain 8.4 miles of roads 35-2E-13, 36-2E-3.1, and 36-2E-7. The Purchaser will be required to pay a maintenance and rockwear fee for an estimated total of \$14,092.18 for the use of BLM roads and an estimated total of \$1,287.41 for the use of Private roads.

ROAD CONSTRUCTION – The contract will require the Purchaser to construct 10 stations of temporary spur and renovate 21.7 miles of road. Additional information is available in the timber sale prospectus.

SOIL DAMAGE PREVENTION - Pursuant to Section 25 of Form 5450-3, Timber Sale Contract, the Purchaser shall not operate or cause to have operated on the contract area any tractor-type logging equipment when soil moisture content exceeds twenty-five (25) percent by weight as determined by the oven-dry method.

EQUIPMENT REQUIREMENTS - A yarding tractor not greater than 9½ feet in width and equipped with a winch system capable of lining logs at least 75 feet. A tractor equipped with winged-tooth rippers. A skyline yarder capable of one end suspension of logs during in-haul and with a minimum lateral yarding capability of 75 feet while maintaining a fixed position of the carriage during lateral in-haul.

SLASH DISPOSAL - Slash disposal will consist of lop and scatter in 7 units; hand piling of slash and brush, covering of piles, burning of piles, and mop-up on 5 units. Additionally, as designated by the Authorized Officer, units would require slashing damaged trees less than 6" in diameter; excavator piling of slash and brush, covering of piles, burning of piles, and mop-up in 2 units.

CONTRACT TERMINATION - A Special Provision has been added to the contract which enables the Contracting Officer to suspend the contract to facilitate protection of certain plant or animal species, and/or to modify or terminate the contract when necessary to comply with the Endangered Species Act, or comply with a court order, or protect occupied marbled murrelet sites in accordance with the Standards and Guidelines of the Medford District Record of Decision (ROD) and Resource Management Plan (RMP). This contract provision limits the liability of the Government to the actual costs incurred by the Purchaser which have not been amortized by timber removed from the contract area.

PERFORMANCE BOND - A performance bond in the amount of 20% of the total purchase price will be required.

OTHER -

1. No extension of time beyond the normal 30 days will be granted for completing bonding and contract signing requirements.
2. Various seasonal restrictions are placed on this sale.
3. There is a 44 foot log length restriction of trees over 24" DBH.
4. Purchaser is required to designate 120 linear feet of coarse woody debris for retention in 15 units.
5. The Government (at its option) may designate additional standing timber for cutting and removal prior to harvest of individual units.
6. Directional falling is required.
7. Hand piling must be completed within 8 weeks of notification by BLM in each unit where piling of slash is required.
8. Excavator piling shall be completed within 30 days of completion of yarding in each unit where piling of slash is required.
9. Cleaning of equipment to eliminate noxious weed seeds is required prior to move-in of equipment onto federal lands.
10. Designated skid roads are required on tractor units.
11. Ripping of tractor skid roads is required in all or portions of 6 units.
12. Dust abatement is required.
13. Purchaser should be aware that logging residue reduction costs listed under SD-5 are in addition to costs assessed under SD-4. Refer to the appraisal for total assessed costs of logging residue reduction.

NARRATIVE DESCRIPTION OF HOW TO GET TO THE TIMBER SALE AREA – From the town of Butte Falls, Oregon, proceed east on the Butte Falls-Fish Lake Highway for approximately 2.5 miles to Doubleday Road (Road 35-2E-13). Turn right onto the Doubleday Road which passes through the contract area providing access to Sections 7, 13, 23, and 25.

To access Section 19, travel east approximately 2 miles east on the Butte Falls-Fish Lake Highway from the junction with Doubleday Road to Bowen Creek Road (Road 35-3E-29). Turn right onto Road 35-3E-29 (Bowen Creek Road) and proceed approximately ½ mile to Road 35-3E-29.1. Turn right on Road 35-3E-29.1 to access the contract area.

ENVIRONMENTAL ASSESSMENT - An Environmental Assessment (EA-OR115-08-02) was prepared for this sale, and has been documented. This document is available for inspection as background for this sale at the Medford Interagency Office.
