The production crew is a small crew of 4-5 people that has worked in a number of public land locations as well as traveling with an outfitter during the project practicing minimum impact to the resources during the entire project. This permit covers the BLM administered portion of the Rogue River from Galice to Mule Creek. The permittee will be traveling with OARS, a commercial permittee with a permit to launch on July 8, 2014. This trip is authorized as a part of their existing special recreation permit. The BLM evaluated the environmental effects and whether to issue Greg Von Doersten Productions a land use permit in a manner consistent with the Federal Land Policy and Management Act of 1976 (FLPMA). Film permits are issued under the authority of Section 302b of the FLPMA, 1976 and in regulations in 43 CFR 2920.

Decision and Rationale: Based upon the attached Categorical Exclusion, it is my decision to authorize the land use permit for Greg Von Doersten Productions as described in the Proposed Action.

In addition, I have reviewed the plan conformance statement and have determined that the Proposal is in accordance with the approved land use plan and that no further environmental analysis is required. Therefore, an environmental assessment or an environmental impact statement is not needed. It is my decision to implement the Proposed Action in accordance with 43 CFR Part 4 –Administrative Remedies.

ADMINISTRATIVE REMEDIES

Administrative review of land use permit decisions requiring National Environmental Policy Act (NEPA) assessment will be available under 43 CFR Part 4 to those who have a "legally cognizable interest" to which there is a substantial likelihood that the action authorized would cause injury, and who have established themselves as a "party to the case." (See:- 43 CFR § 4.410 (a) - (c)). Other than the applicant for the Special Recreation Permit, in order to be considered a "party to the case" the person claiming to be adversely affected by the decision must show that they have notified the BLM that they have a "legally cognizable interest" and the decision on appeal has caused or is substantially likely to cause injury to that interest (See 43 CFR § 4.410(d)).

EFFECTIVE DATE OF DECISION

This is a land decision on a land use permit in accordance with BLM regulations at 43 CFR Subpart 2920. All BLM decisions under 43 CFR Subpart 2920.2-2 8(b) "Permit decisions made under paragraph (a) of this section take effect immediately upon execution and remain in effect during the period of time specified in the decision to issue the permit. Any person whose interest is adversely affected by a decision to grant or deny a permit under paragraph (a) of this section may appeal to the Board of Land Appeals under part 4 of this title. However, decisions and permits issued under paragraph (a) of this section will remain in effect until stayed.

RIGHT OF APPEAL

This decision may be appealed to the U.S. Department of the Interior, Office of Hearings and Appeals, Interior Board of Land Appeals (Board) by those who have a “legally cognizable interest” to which there is a substantial likelihood that the action authorized in this decision would cause injury, and who have established themselves as a “party to the case.” (See 43 CFR § 4.410). If an appeal is taken, a written notice of appeal must be filed with the BLM officer who made the decision in this office by close of business (4:30 p.m.) not more than 30 days after the date of service. Faxed or e-mailed appeals will not be considered. Only signed hard copies of a notice of appeal that are delivered to the Grants Pass Field Manager 2164 NE Spalding Avenue, Grants Pass, OR 97526, will be accepted

In addition to the applicant, in order to qualify as an appellant, a “party to the case,” you have the burden of showing possession of a “legally cognizable interest” that has a substantial likelihood of injury from the decision. (See 43 CFR § 4.410(d)). The person signing the notice of appeal has the responsibility of proving eligibility to represent the appellant before the Board under its regulations at 43 CFR § 1.3. The appellant also has the burden of showing that the decision appealed is in error. The appeal must clearly and concisely state which portion or element of the decision is being appealed and the reasons why the decision is believed to be in error. If your notice of appeal does not include a statement of reasons, such statement must be filed with this office and with the Board within 30 days after the notice of appeal was filed.

According to 43 CFR Part 4, you have the right to petition the Board to stay the implementation of the decision. Should you choose to file one, your stay request should accompany your notice of appeal. You must show standing and present reasons for requesting a stay of the decision. A petition for stay of a decision pending appeal shall show sufficient justification based on the following standards:

1. The relative harm to the parties if the stay is granted or denied,
2. The likelihood of the appellant’s success on the merits,
3. The likelihood of immediate and irreparable harm if the stay is not granted, and
4. Whether the public interest favors granting the stay.

A notice of appeal with petition for stay must be served upon the Board, the Regional Solicitor and the applicant, Greg Von Doersten Productions, at the same time such documents are served on the deciding official at this office. Service must be accomplished within fifteen (15) days after filing in order to be in compliance with appeal regulations at 43 CFR § 4.413(a). At the end of your notice of appeal you must sign a certification that service has been or will be made in accordance with the applicable rules (i.e., 43 CFR §§ 4.410(c) and 4.413) and specify the date and manner of such service.

The Board will review any petition for a stay and may grant or deny the stay. If the Board takes no action on the stay request within 45 days of the expiration of the time for filing a notice of appeal, you may deem the request for stay as denied, and the BLM decision will remain in full force and effect until the Board makes a final ruling on the case.
