Regarding the 'Mountain of the Rogue Trail' coming off of N.River Rd. I am so excited!! We live at [REDACTED] Road. Our 20 acres backs up to BLM land. I think this would be a wonderful thing for the community in general. I have three giant breed dogs and right now the only place I can take them is up on the logging roads on Sardine Creek. Not the safest place in the county to be walking. But I always have my gun on my hip. I would be so happy to have a trail right down the road. We have bulldozed alot of walking trails on our property, but I guess to the dogs its just not the same as going 'bye-bye'. I really hope this passes.

[REDACTED]

some things are better left unsaid. But I'm probably gonna get drunk and say them anyway.:-)

Lindaman, Patricia <tlindama@blm.gov>

I believe this trail system will be quite an asset to the community. It would also provide a great location for a legal trail system. Over the past several years I have been involved with some local Mountain Bike racing teams. These teams are not only an outlet for the adults in our community but are absolutely beneficial for getting the youth involved and keeping them out of trouble. There are also many organizations that support these activities.

I know in Grants Pass we have a strong group of volunteers that are willing to put hands to this project as well. You have my pledge to do so. I also fully support the group of men that have put this proposal forward. They have their small town in mind when considering this project. Let's do this.

Thank you,

[REDACTED]

Jon Raby

My name is [REDACTED] and we have seven children, we would love to see more mountain biking and jogging paths in the Rogue River area. From my perspective, any time you can get more trails and paths through the woods your forest experience can be quicker safer and more enjoyable.

Any questions or comments these call [REDACTED]

I recently saw the Mountain of the Rogue Trail scoping notice and wanted to let you know that I am excited about the potential project.

As an avid trail runner I would love to see some developed trail options in our area. In addition to providing a recreational opportunity, I think a project like the Mountain of the Rogue could be an economic benefit to the area as I'm sure it would generate usage by the surrounding communities.

Please keep me posted as to any updates as they become available.

Thanks,

I am excited to hear about the Mountain of the Rogue Trail Project. We have numerous mountain bikers, trail runners, and hikers in our community (me included) that would love to have more recreational options close to home. I also believe this project will benefit our local economy and help put Rogue River on the map for all the right reasons.

Thanks for helping make this possible,

I, too, am so excited to hear about the potential for new trails in Rogue River and the surrounding area. My family and I are avid cyclists and hikers and always looking for new trails to explore. I enjoy the few trails Rogue River has to offer and would welcome more trails in the area and even volunteer to help. I have helped build trails with the BLM at Cathedral Hills in Grants Pass. IMBA and the BLM partnered together a couple of years ago and built some wonderful biking and hiking trails in Grants Pass and people from all over have come to enjoy them.

Thank you,

██████████

Good morning,

This e-mail concerns the proposed Mountain of the Rogue Trail project. It is nice to hear that there is consideration for expanding trail opportunities in the Rogue River area. As a frequent visitor to the area my family and I would truly appreciate the opportunity to explore the natural treasures of the area through mountain biking and new hiking opportunities. I am excited to hear about the Mountain of the Rogue Trail Project. It is apparent that this project will benefit the local economy and I support it.
