TIMBER SALE NOTICE

NOTICE IS HEREBY GIVEN that the Bureau of Land Management will offer for sale timber as described herein for oral auction, pursuant to Instructions to Bidders, as stated on Form No. 5440-9, attached. Written and oral bids will be received by the District Manager, or his representative, at the Bureau of Land Management Grants Pass Interagency Office, 2164 NE Spalding Road, Grants Pass, Oregon, telephone (541) 471-6500. The timber sale will commence at 9:00 a.m. on Thursday, August 27, 2015, at the Grants Pass Interagency Office, 2164 NE Spalding Road, Grants Pass, Oregon.

THIS TIMBER SALE NOTICE does not constitute the decision document for purposes of protest and appeal of a forest management decision. Consistent with 43 CFR Subpart 5003 – Administrative Remedies, the notice of a timber sale, when published as a legal ad in a newspaper of general circulation shall constitute the decision document for purposes of protest and appeal. Protests may be filed with the Contracting Officer within 15 days of the publication of the aforementioned decision document in the newspaper. The regulations do not authorize the acceptance of protests in any form other than a signed, written hard copy that is delivered to the physical address of the advertising BLM office. (No e-mail or fax protests will be accepted.) It is anticipated that the decision document for the Lower Grave timber sale will be published in the Grants Pass Daily Courier and the Medford Mail Tribune on or about July 30, 2015. BLM does not warrant publication on this exact date. All parties considering protest of the timber sale decision document are encouraged to review the aforementioned newspapers to ensure accurate knowledge of the exact publication date. The original Reeves Creek Salvage Sale Notice was released on May 7th, 2015, followed by a 15-day protest period as required by 43 CFR 5003.3. The principle of administrative finality precludes any further protest of the original Howard Timber Sale. There have been no changes to the re-offered component of the Reeves

Creek Hazard Timber Sale being offered for sale here. Consequently there is no new protest opportunity, and this decision is effective immediately.

A WRITTEN BID on Form 5440-9 at not less than the appraised price on a unit basis per species and the required minimum bid deposit shall be required to participate in oral bidding for each tract.

APPRAISED PRICES are determined by analytical appraisal methods unless otherwise noted on individual timber sale notices.

THE SUCCESSFUL BIDDER, as a condition of award, will be required to complete and/or sign the following forms:

A minimum performance bond of not less than \$500 will be required for all installment contracts less than \$2,500.

QUALIFIED SMALL BUSINESS concerns may apply to the Small Business Administration for a loan to provide financing for access road construction required under the terms of qualifying timber sale contracts and necessary contract changes will be made. Applicants for such loans shall notify the Bureau of Land Management of their intention to apply for such loan.
