**SAVE THE DATE!**  
**Tuesday, June 4th**  
**10:00 - 2:00**

Join Prineville BLM staff for a hike and volunteer work party at the Tumalo Canal Historic Area trails, at Barr Rd and Gerking Market Rd. near Eagle Crest Resort and Tumalo.

Volunteers can help install additional trail markers, do some small rock removal from the trail tread, clear limbs along the trail, and place branches and rock on old routes that are to be closed.

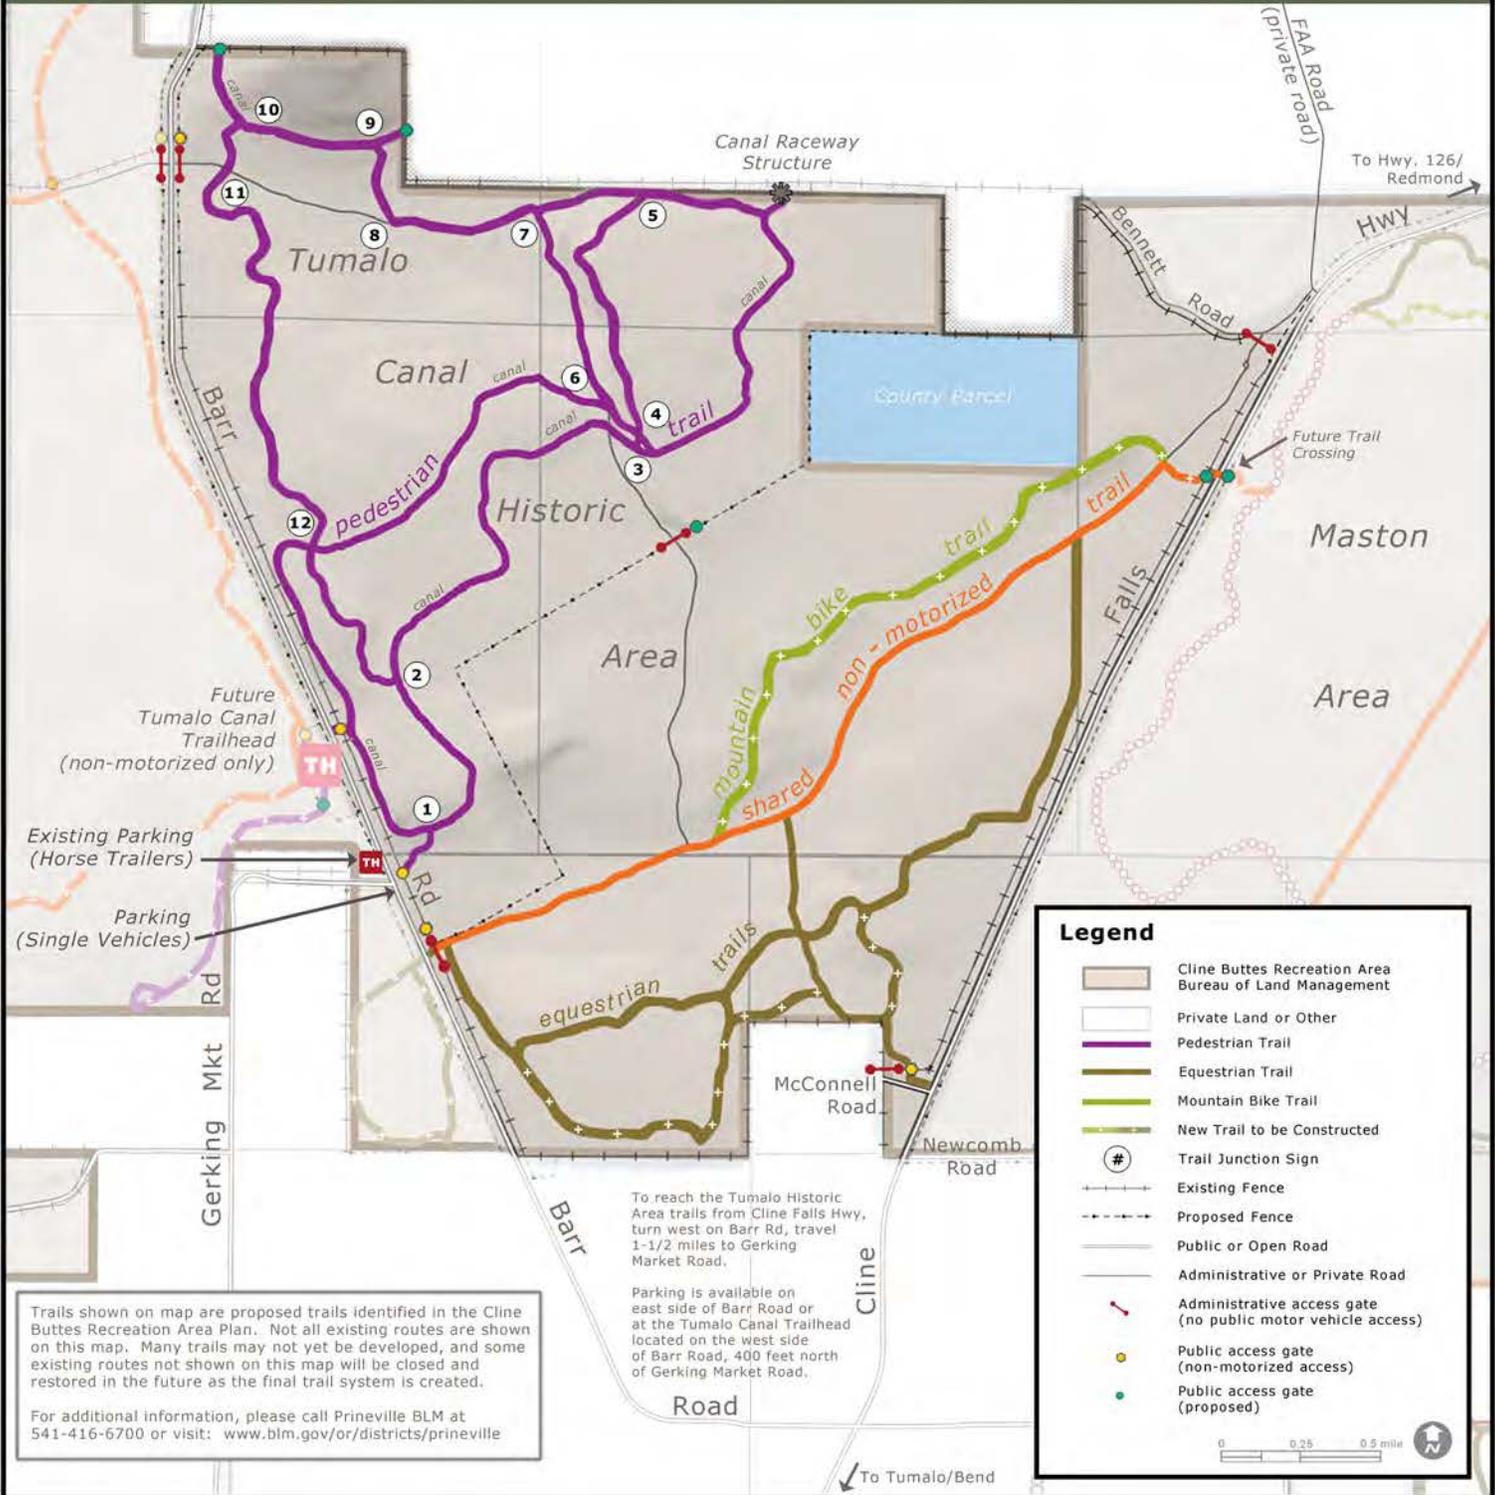

Volunteers hiking the newly built sections of trail will help compact and define these portions of the pedestrian only trail system.

Please join us for a great day exploring this area's old growth Juniper woodland and the relic canals built in the early 1900's.

**Get Outdoors Day encourages Americans, especially our youth, to seek out healthy, active outdoor lives and embrace our parks, forests, rangelands and other public lands and waters.**
