

Construction Update – April 17, 2015

Trout Creek Campground Pavement Connection Project

Work Status:

On-site construction work is scheduled to begin on April 23, with preliminary survey work beginning on Monday, April 20. Construction activity this week will involve mobilization of equipment to the site and installation of erosion control devices.

Construction work for this project will consist of the rehabilitation of almost 3 miles of Cook Lane and Coleman Road adjacent to Trout Creek Campground located north of Madras, OR. The project involves grading and resurfacing the road, along with reestablishing the ditches and shoulders, in addition to some minor drainage work. New pavement will be placed from the beginning of the project to just past the tunnel.

Beginning of Project (South end, looking North)

Traffic Information:

As of April 17, 2015

The current work schedule on the project is 7:00 a.m. to 5:30 p.m., Monday to Thursday. Expect up to 20-minute delays during work shifts.
