BLM Beach Seasonal Wildlife Closure

Jan. 1 —Aug. 31, 2012

Closure Notice:

The BLM Beach on the Metolius Arm of Lake Billy Chinook (red area on the map), is closed to protect nesting bald eagles.

Visitors must not enter the closed area. This closure restricts access to all day or overnight uses including picnicking, hiking, docking boats or camping.

Please help us protect our wildlife by following this closure notice.
Questions about our wildlife closures ? Call our office at 541/416-6700.
