

2014 Macks Canyon Boat Ramp and Campground Improvement Project

**Beginning July 7, 2014 and continuing into September 2014,
the Prineville BLM will be:**

- **Constructing a new concrete boat ramp approximately 300 feet downstream of the existing boat ramp for motorized boat launching.**
- **Converting the old launch to a gravel ramp above the water line**
- **Re-designing the parking area with specific parking spaces designated for cars and trailers**
- **Adding a vehicle turnaround**
- **Constructing additional parking for boat trailers; and,**
- **Adding a new ADA accessible campsite**

**The Boat Launch & Campground will be
open during construction.**

**You can expect noise, dust and congestion during
construction.**

Construction will not occur at night.

**Please avoid the marked construction area and follow
all directions for safe parking.**

Contact the Prineville BLM for additional information about this project at (541) 416-6700.
