Oregon Department of Transportation is working on a realignment of U.S. 97 at Wickiup Junction and will be building a new railroad overpass. Part of this re-route includes removing trees and constructing the new road base. For public safety, riders are not allowed in the trail loop and beginner play areas.

For project information, contact ODOT at: (541) 388-6178 or visit the proj. webpage at http://www.oregon.gov/ODOT/HWY/REGION4/pages/us97_wickiup_jct/us97_wickiup_jct.aspx
