

Tumalo

Seasonal Wildlife Closure

Jan. 1 — Aug. 31

Closure Notice:

The southeast portion of the Tumalo Reservoir Trail System near Graves Driveway (darker brown color on the map) is closed to protect nesting bald eagles.

Visitors must not enter the closed area. This closure restricts access to all uses including hiking, equestrian or mountain bike use.

Visitors can continue to hike on open routes around Tumalo Reservoir, or can move east to the Cline Buttes Recreation Area.
