TAKE IT OUTSIDE THIS SUMMER! RAP CAMP APPLICATION DUE DATE EXTENDED

Roseburg, Ore. -- Resources and People (RAP) Camp will be extending the due date for student applications until **May 31, 2014**, or until all vacancies are filled. Applications are now being accepted from students between the ages of 13 to 18 from both rural and urban areas.

The 23rd annual Resources and People (RAP) Camp will be held the week of June 15 to 21, 2014, at Camp Esther Applegate located at Lake of the Woods, Oregon. The RAP Camp is designed to educate students about natural resource management by providing them an opportunity to take part in hands-on natural resource sessions, outdoor recreation activities and educational field trips. The camp allows kids to learn more about resources like fire ecology, wildlife, forestry, fisheries, archeology, wetlands and botany and possible careers in those fields. It also engages students in many outdoor activities like hiking, birding, swimming and canoeing.

“Students attending the camp will have the opportunity to enjoy the outdoors and make new friends, while participating in hands-on natural resource activities,” said Cheyne Rossbach, RAP Camp Coordinator. “Super-cool events like cowboy poetry, a field trip to Crater Lake National Park, tour of a fish hatchery, astronomy talk and tribal storytelling while sitting around the campfire are all part of the week’s experience!” continued Rossbach.

Thanks to contributions from Federal, State, county and private organizations the registration fee is only \$225. Financial aid is available. **Applications are due May 31, 2014** and can be downloaded from the Internet at: www.blm.gov/or/rapcamp

For additional information about RAP Camp and the application process, please contact Cheyne Rossbach at (541) 579-0648, crossbac@blm.gov or Akimi King at (541) 885-2515, akimi_king@fws.gov.

About the BLM: The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM’s mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2013, the BLM generated \$4.7 billion in receipts from public lands.
