## SCAREDMAN CAMPGROUND CLOSED

**Roseburg, Oregon** – The Bureau of Land Management (BLM) Roseburg District, will close the Scaredman Campground through the 2013 season due to increasing budget constraints. The campground is located 40 miles east of Roseburg on Highway 138.

The BLM will close Scaredman Campground to reduce operating and maintenance costs. This closure is effective immediately.

The Scaredman Day-Use area will remain open from 8 a.m. to 8 p.m. daily with overnight camping prohibited. Locked gates will restrict vehicular access to the campground area, and the restroom facility will be closed for the season.

Visitors to the area may still camp overnight at the nearby Canton Creek, Steamboat Falls, and Island Campgrounds.

###

The BLM manages more land – more than 245 million acres - than any other Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The Bureau, with a budget of about \$1 billion, also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's multiple-use mission is to sustain the health and productivity of the public lands for the use and enjoyment of present and future generations. The Bureau accomplishes this by managing such activities as outdoor recreation, livestock grazing, mineral development, and energy production, and by conserving natural, historical, cultural, and other resources on public lands.
