BLM to Perform Road Maintenance on Rock Creek Road

Roseburg, Ore. – The BLM will begin a chip seal project along Rock Creek Road (Rd # 26-3-1.0), East Fork Road (Rd# 25-2-11.0) and North Fork of the East Fork (Rd# 25-1-18.0) from August 3 through August 22, 2015. The road work will involve chip sealing of the roadway.

During active road work there may be minor delays of up to 15 minutes. Members of the public are asked to reduce driving speed due to workers and equipment in the roadway and loose gravel on the roadway.

For more information about the Roseburg BLM visit: www.blm.gov/or/districts/roseburg/index

###

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.
