Tidepool Discovery Times at Yaquina Head Outstanding Natural Area

Newport, Ore.— The Bureau of Land Management (BLM) at Yaquina Head Outstanding Natural Area invites you to explore the tide pools at Cobble Beach. Use the calendar below for the month of April to find the best times for visiting and learning about the intertidal plants and animals that call Yaquina Head their home. Park Rangers will be roving Cobble Beach to provide orientation, answer questions and help you safely explore the

tidepools.

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.
