Nestucca Access Road Closed at Mile Post 15

Salem, Ore—An active rock slide has closed the Nestucca Access Road at Mile Post 15, 1/2 mile east of the Elk Creek Bridge, and 0.2 miles east of Elk Bend Campground. Road closed signs are posted at the intersection with the Bald Mountain Access Road on the east side of the slide, and at the intersection with the Bible Creek Access Road on the west side of the slide. The BLM is currently assessing the safety and logistics of the cleanup efforts. Please avoid the area as long as road closed signs are posted.

For more information about the BLM: <http://www.blm.gov/or/districts/salem/index.php>

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.
