**Addendum to the Salem District  
2012 Annual Program Summary, Plan Maintenance and Monitoring Report**

As Salem District Manager, I have decided to withdraw the plan maintenance action titled **Clarification of 1995 RMP Snag, Coarse Wood, and Green Tree Retention Requirements** from the 2012 *Salem District Annual Program Summary, Plan Maintenance and Monitoring Report*, which was posted on the Salem District website on June 27, 2013. These requirements will continue to be addressed in project level timber sale environmental analyses, based on site specific conditions.
